Child Health

MPH Alum Meghann McNiff on working with the Afghan Midwives Association in Kabul, Afghanistan

Thursday, September 20th 1-2pm in CT460A

Come meet Meghann McNiff, an Alum from the Department of International Health, and learn about her current work in Kabul, Afghanistan with the Afghan Midwives Association. Join us as we discuss the current state of women's health in Afghanistan and the work Meghann and her organization are doing.

A brown bag lunch session
