

Boston University's FaceAIDS first annual

Condom Couture Fashion Show

Jacob Sleeper Auditorium

We need YOU

Design a garment with some friends made primarily of condoms! Judges will choose the most creative design. First, second, and third prizes will be awarded!

Rules

Your garment can be for a man or woman of any size or shape, but must be made primarily using the 1000 condoms we provide

Regular clothing or fabric may be used as a base for the outfit. Condoms can be attached.

Your garment must not be too transparent or revealing.

If you cannot provide your own model, let us know by February 30th.

Be as creative as possible, and have fun with it!
