

Pharmacy Systems to Improve Adherence and Drug Supply

with Dr. Ian Sanne, Director of Right to Care

Join the Department of International Health and Center for Global Health and Development as we welcome Dr. Ian Sanne, the Director of Right to Care, an organization that pioneered the expansion of antiretroviral therapy in South Africa and a long time partner of CGHD in studying the economics of HIV and ART.

Friday, January 31st
Noon-1pm in CT305
A brown bag lunch session

Boston University School of Public Health Department of International Health
