

BOSTON UNIVERSITY
GRADUATE RESIDENCE LICENSE AGREEMENT

1. **PARTIES AND PREMISES:** Trustees of Boston University (the "University" or "Boston University") hereby grants to a Boston University student (Last & First Name) ("Licensee"), a license to occupy the following premises (the "Premises"): Unit (____) at (____), (the "Building"), consisting of, and including the furnishings, if any. The premises shall be occupied only for residential purposes and only by Licensee and the following named individuals: ____; and shall not be occupied by any other person. If there is more than one Licensee designated by this lease, the Licensees acknowledge that they are each jointly and severally liable for this license agreement. (Each Licensee is responsible for the entire rental amount for the entire term of this license agreement).

2. **TERM:** The term of this License shall begin on (____) and end on (____), unless this License is earlier terminated or revoked as provided herein.

3. **LICENSE FEE:** In consideration for the License hereby granted, Licensee agrees to pay a fee of (____) (the "License Fee") to be paid monthly in advance, on the first day of each month during which this License is in effect. License Fee Payments shall be made through the Student Account [Payment Link](#) on the first of the month, and the only form of payment acceptable will be ACH. BU Housing may designate an alternate method of payment at any time by written notice to Licensee. If Licensee fails to make a timely payment of all or any part of the License Fee, a late fee will be assessed in accordance with the published fee schedule for each payment or partial payment made after the due date.

Applicant agrees to submit a Housing Guarantee Payment (HGP) in the amount of \$500 concurrently with the submittal of this Application. Applicant understands that the HGP is a nonrefundable administrative application fee payment that shall be applied as a pre-payment of the first month's License Fee and shall be nonrefundable except in the event the University receives more applications than the number of accommodations it has and cannot honor Applicant's Application.

4. **ELIGIBILITY:** Without limiting the terms and conditions of Section 6 and 7 of this license agreement, it is specifically understood and agreed that Licensee shall be ineligible to occupy the Premises pursuant to this license agreement in the event Licensee (a) officially withdraws from Boston University; (b) takes a formal leave of absence from Boston University; or (c) fails to complete settlement of the Licensee's account with the University in accordance with established policies and procedures. As used in the preceding sentence, "settlement" shall mean the University's Comptroller's Office has a record that the Licensee has settled the Licensee's account in accordance with University policies and procedures for the current and all past academic semesters falling partially or wholly within the term of this License. It is further specifically understood and agreed that the Licensee will not be permitted to terminate this license agreement upon graduation from Boston University in the event the Licensee's graduation date falls within the agreement term. The University reserves the right, in its sole discretion, to establish, change, or supplement the criteria for eligibility to be a Licensee of housing accommodations in the Building.

5. **DELIVERY OF PREMISES:** In the event that the University is not able, through no fault of its own, to make the premises available for occupancy by Licensee at the time called for herein, the License Fee shall be abated on a pro-rata basis until such time as occupancy can be obtained, which abatement shall constitute full settlement of all damages caused by such delay. If the University is not able to make the Premises available for occupancy by Licensee within thirty (30) days after the beginning of the term of this License, either the University or Licensee may then terminate this License by giving written notice to the other and any payment made under this License shall be refunded.

6. **REVOCAION/EVICTION:** The University may, at its election, revoke and terminate this License and require Licensee to vacate the Premises:

- 6.1 By giving seven (7) days written notice to vacate, (i) if Licensee fails, for any reason, to comply with any term or condition of this License, including, without limitation Licensee's obligation to pay the License Fee, or (ii) if Licensee is or becomes ineligible to be a licensee of premises in the Building under the terms and conditions of Section 4 above, or (iii) if the University, in its sole discretion, deems such revocation and termination necessary or advisable in the interests of health, safety, more prudent use of resources, or the efficient conduct of the graduate student residence program.
- 6.2 By giving twenty-four (24) hours written notice to vacate, if Licensee or Licensee's family, friends, relatives, invitees, visitors, or agents cause damage or imminent threat of damage to life, limb or property in or about the Building. Failure to comply with a notice to vacate, or to vacate the Premises at the expiration of the term of this License, may result in civil or criminal trespass charges being filed against Licensee.

In the event that this License is revoked in accordance with the terms hereof, the University shall have the unconditional right to take complete possession of the Premises, by any lawful means, without being guilty of any manner of trespass and without prejudice to any other remedies which may be available for non-payment of the License fees or other fees, or charges or damages hereunder or for breach of any of the terms or conditions of this License and also to take any other steps it deems necessary or advisable in the interest of the health and safety of other occupants of the Building and the administration of the graduate student residence program.

7. **ADDITIONAL REMEDIES:** In addition to all other rights and remedies afforded it under this License or applicable law, the University may withhold official transcripts, degrees, and diplomas from a student who fails to perform (or with respect to whom there is a failure to perform) the financial obligations of this License. It has been and remains the policy of the University that no student shall receive a diploma, degree, or any other official recognition of work completed until all amounts owed to Boston University, including all charges, fees, and amounts due for occupancy in University owned or operated residence halls, dormitories, or apartments, have been paid in full.

8. **CARE OF FURNISHINGS/APPLIANCES/PREMISES/CLEANLINESS:**

- 8.1 Licensee shall not paint, put nails or screws in, make holes in or otherwise change, alter or make any addition to the Premises or any other part of the Building without on each occasion obtaining prior written consent from BU Housing.

Licensee shall not, nor allow anyone else to, sweep, throw, shake or dispose of, from the Premises or from any doors, windows, balconies, porches or other parts of the Building, any dirt, waste, rubbish, or other substances or articles into any other parts of the Building or the adjacent land. No window draperies or any other window treatment may appear except those window treatments provided by the Lessor. No signs, flags, banners, advertisements, or other displays may be visible from the outside at any time.
- 8.3 Upon the termination or revocation of this License, Licensee shall remove all of Licensee's possessions from the Premises and shall deliver up the Premises to the University, and all property belonging to the University, in good clean order and condition, reasonable wear and tear expected. If, at such time, the entire Premises, including range, oven, refrigerator, bathroom, closets, furniture (if provided) and cabinets, are not clean, the University will clean the Premises at Licensee's expense.
- 8.4 The cost of any repair or cleaning or damage or loss to the residence facility will result in appropriate charges to the Licensee responsible for violating this policy. Licensees are prohibited from removing any furnishings from their accommodations.
9. **REPAIR AND MAINTENANCE:** Licensee shall, at all times during the Licensee's occupancy of the Premises, keep and maintain the Premises, and all equipment and furnishings therein, in such good repair, order and condition as they are at the beginning of the term of this License, except only for reasonable wear and tear. Licensee shall reimburse the University upon demand for the reasonable cost of repair or replacement of any damage or loss to the Premises or Building resulting from Licensee's failure to perform Licensee's obligations to keep and maintain the Premises or Building resulting from the carelessness, neglect or improper conduct of Licensee or of Licensee's family, friends, relatives, invitees, visitors, or agents or from Licensee's breach of any provision of this License. The Licensee shall remove all trash and garbage from the licensed premises in sealed bags and dispose of such in the receptacles provided by the University. The University may change such disposal procedures upon written notice to the Licensee. The University shall make such repairs to the Building, the Premises or the equipment located therein as it deems necessary. In the event of a facilities related emergency the Licensee must contact [Facilities Management & Operations](#) promptly.
10. **EXTERMINATION:** Licensee shall cooperate fully with the University's extermination program for the Building and the Premises. Without limiting the general application of the foregoing, Licensee agrees to take all reasonable actions requested by exterminators hired by the University to prepare the Premises for extermination, including without limitation removing all items from shelves and cabinets, giving such exterminator access to the Premises and vacating the Premises during the extermination process. The failure to comply with the requirements of this section 13 shall entitle the University, without limitation, to terminate the License pursuant to Section 8, above.
11. **UTILITIES:** The University shall furnish heat, water, electricity, wireless internet, and/or gas utilities, all in accordance with applicable law, except in the case of accident, or restriction by government regulations, or during necessary repairs and except for causes beyond the University's control. Licensee is responsible for all other utilities. Subject to applicable law, if any, the failure of the University to provide any of the foregoing items to any specific degree, quantity, quality, or character shall not form the basis of any claim for damages against the University. The University shall not furnish telephone service. Licensee shall not allow the heat, water, electricity or gas to be wasted. Licensee shall not allow any utilities included in the License Fee to be wasted.
12. **GOVERNMENTAL REGULATION:** Subject to applicable law, if any, Licensee's obligations under this License, including the obligation to pay the License Fee, shall not be affected or excused because the University is unable to supply or is delayed in supplying any service or is unable to make or is delayed in making any repair, addition, alteration or decoration, or is unable to supply or is delayed in supplying any equipment or fixtures, if the University is prevented or delayed from so doing because of any law or governmental action, order, rule or regulation, any act of God, or any other cause beyond the University's reasonable control.
13. **PLUMBING:** The toilets, sinks, bathtubs, showers, waste pipes and drains shall not be used for any purposes other than those for which they were constructed and designed, nor shall any sweepings, rubbish, rags or any other improper articles be thrown into them. Any damage caused by the misuse of such equipment shall be repaired at the expense of the Licensee by whom or upon whose premises it shall have been caused.

Violations may subject Licensee to disciplinary action, which may include expulsion from the University, and/or the refusal by the University to accept future housing applications from Licensee, and/or revocation of this License. The University shall use its best efforts to enforce these regulations, but, in no event, provided it has acted in good faith, shall it be held liable to a licensee, licensee's family, friends, relatives, invitees, visitors, or agents, or guarantor, for any failure to effectuate these regulations.

40. **ATTACHED FORMS:** All forms attached to this License are incorporated herein by reference.

41. **LICENSE ONLY:** It is expressly understood that this License constitutes only a License to occupy the Premises.

42. **CORONAVIRUS REQUIREMENTS:** The University has promulgated and established directives, rules, and regulations in a systematic effort to reduce the risk of the spread of the 2019 novel coronavirus and variants ("COVID-19") in residential property owned by the University (collectively, the "COVID-19 Requirements"). Licensee expressly understands and agrees that other occupants of the Building may be infected with COVID-19 and/or may be quarantining or self-isolating in a unit within the Premises. In the event Licensee is required to quarantine or self-isolate due to COVID-19, Licensee shall have the option to temporarily vacate the Premises to quarantine or self-isolate in alternative housing arrangements provided by the University for such period of quarantine or self-isolation. Licensee agrees that such voluntary vacation of the Premises shall not constitute a termination of this License, constructive eviction, or breach of any covenant of quiet enjoyment or warranty of habitability, express or implied.
