

Terms and Conditions of Optional Dining Plan Agreement – Full Academic Year

For consideration exchanged herein, Boston University (University) and student agree as follows:

This Optional Dining Plan Agreement is for the entire 2026–27 academic year, and service provided under this agreement shall begin with breakfast on **Friday, August 28, 2026**, and end with dinner on **Friday, December 18, 2026**, for Semester I and begin with dinner on **Friday, January 15, 2027**, and on **Friday, May 7, 2027**, for the Semester II. The University shall provide the plan selected, and the student agrees to pay the stated amount. Each dining plan combines a specific number of meals with dining points. During official vacation and close-down periods, locations accepting use of the optional dining plan may be closed, or operation and use of the optional dining plan may be limited. The University does not provide dining service during official vacation and close-down periods (Intersession Break).

MEALS. Meals can be used at any of the residence dining rooms for all-you-care-to-eat meals. Each dining plan offers 10 guest meals per semester.

The Weekly 10+ and Kosher meal plan have guaranteed meals reset weekly just prior to breakfast each Friday throughout the academic year. The Open Access and Open Access+ have unlimited meals throughout Semester I and Semester II. There is no refund for missed or unused meals at any time during the year. Unused meals cannot be converted into either dining or Convenience Points.

DINING POINTS. Dining points can be used like cash at all Boston University Dining Services locations. Dining points can be used to purchase meals at any of the retail dining locations (such as The Union Court and Grab-n-Go items from City Convenience stores), and for meals at residence dining rooms. Dining points are carried over from Semester I to Semester II for all valid plans but are not carried over from academic year to academic year. At the end of the academic year, unused dining points are forfeited. This also applies to students who leave the University at the end of the fall semester (including participating in Study Abroad). Dining points cannot be converted into Convenience Points.

CANCELLATION/CREDITS. The Optional Dining Plan may be canceled by visiting the meal plan application page www.bu.edu/myhousing on or before the following cancellation deadline, on or before the following cancellation deadlines—for Semester I, on or before **Friday, August 28, 2026**; for Semester II, on or before **Friday, January 15, 2027**. Upon receipt of a timely request, the University will cancel the dining plan and credit the student's account in accordance with the schedule maintained at the Terrier Card Office. The Optional Dining Plan Agreement will be cancelled for students whose status at the University is terminated for any reason and all unused dining points will be forfeited. If the Optional Dining Plan cancellation results in a credit balance on the student's University account, then the student may submit a request for a refund, in writing, from Student Accounting Services, 25 Buick Street suite 130, Boston, MA 02215.

PLAN CHANGES. For Semester I, plan changes will be accepted through **Thursday, September 10, 2026**. For Semester II, plan changes will be accepted through **Thursday, January 28, 2027**. There may be a charge associated with certain plan changes.

Access and guest sign-in privileges for optional dining plan participants who live in on-campus apartment-style residences are determined by established University residence access policies. Optional dining plan participants living off campus who are undergraduates or registered as a full-time student in a degree program have access to residence dining rooms during dining service, where access through a security station is required to enter a dining room. Part-time and non-degree students do not have access to dining rooms where access through a security station is required to enter a dining room. The Terrier Card must be carried at all times and may not be used by anyone other than the student named on the card; it remains the property of Boston University and must be surrendered to the University upon demand. Alteration or use of the card for any unauthorized purpose will result in confiscation, financial penalty, and/or disciplinary action. If the Terrier Card is lost, damaged, or stolen, the student should report this in person, by telephone, through <https://terrier-web.bu.edu/login/sso.php> or in writing to Boston University, Terrier Card Office, 25 Buick Street, Boston, MA 02215, 617-353-9966, Monday–Friday, 9 a.m.–5 p.m.; or in person to Boston University Dining Services, 775 Commonwealth Avenue, Saturdays, Sundays, and holidays, noon–5 p.m. If the student reports loss or theft of the card within 2 business days, the student will be liable for \$50, or for the amount of the unauthorized use before the student notifies the Terrier Card Office (or Boston University Dining Services on Saturdays, Sundays, or holidays), whichever is less. If the student fails to notify the Terrier Card Office (or Boston University Dining Services on Saturdays, Sundays, or holidays) within 2 business days of the loss or theft of the card, his/her maximum liability increases to \$500 or the amount of the unauthorized use, whichever is less.
