

BU LIBRARIES

The intern will work with a member of library staff in support of one or more core or emergent areas of library and archival practice. The intern will receive instruction and training in the area of library practice attendant to their area of interest and will work alongside a full-time library staff member to contribute to the activities of a vibrant research library system. Expressions of interest also should specify applicable skill sets and the connection of the library collections and services to the advancement of research and learning in the humanities at BU.
