

## Guide for postgraduate students from the USA - 2024 entry

### Welcome to Durham University

A globally outstanding centre of teaching and research excellence, a collegiate community of inspiring people, a unique and historic setting – a university like no other.

### World-class teaching

We are a member of the Russell Group – an association of world-class, research-intensive universities. We offer over 120 undergraduate courses as well as postgraduate taught and research degrees.

### Location

Located in the North East of England, Durham is a beautiful and historic city, with the famous Cathedral and Castle at its very heart.

### Accommodation

Accommodation is offered as part of our unique college system. Every student is a member of one of our 17 residential colleges. All colleges are located within walking distance of campus, and are home to students from all nationalities.

### World Top 100

(QS World University Rankings 2024)

**50th** in the world for employer reputation. (QS World University Rankings 2024)

**92%** of international graduates were in work and/or further study 15 months after graduating. (Graduate Outcomes Data 2020-21)

## Careers and employability

Our graduates have secured a range of job roles in national and international organisations, within consulting, finance, technology, media, health and government, as well as in startups, social enterprises and charities. These include IBM, the United Nations, Google, Bloomberg, Microsoft, Procter & Gamble and Amazon to name but a few.

## Entry requirements

Entry requirements differ per programme, however, typically we require a minimum of a 3.3/4 GPA. Some programmes will have subject specific or additional requirements.

Find out more about entry requirements

## Fees and funding

For postgraduate taught courses, tuition fees range from £22,500 up to £45,000 per year for the Durham-EBS Executive MBA.

Postgraduate research courses will cost from £24,500 per year.

**Karl Berg,**  
MA Archaeology  
St. John's College  
Colorado

"My time at Durham has been nothing short of extraordinary. The University has allowed me to tailor a program of research which aligns perfectly with my interests and academic goals. Being here has undoubtedly equipped me for higher research in my field and has also given me many opportunities to advance and improve my scholarship."
