Anticipated 2026-2027 Fall/Spring Work-Study Plans _____
(If known)

- Federal Work-Study allows students to work part-time on-campus or off-campus in government offices or non-profit organizations. Unpaid internships do not qualify as work-study positions.
- Work-Study awards are not credited to the student's account. Recipients will be paid an hourly wage through the student payroll system.
- Please be aware that receiving a work-study award may reduce your student loan eligibility for the 2026-2027 academic year.
