Graduate Tax Program
Online Final Exam Schedule
Fall 2026

Timed exams are all 2.5 hours long (unless approved for extra time by the Graduate Tax Program). **Online students** can take the exam at any time within the stated 24 hour window, but once started the exam must be completed in one sitting. You will use Examplify, a software downloaded from the ExamSoft website, to take your exam. Examplify may lock your computer for the duration of the exam, so you will not be able to access the internet or files on your computer. Specifications for each exam will be sent out via Blackboard announcement.

Take home exams have a window of 2-14 days. There is no time limit and no special software is required. You will download the exam file as a PDF document from the ExamSoft website, and upload your completed exam as a Word document to the ExamSoft website before the deadline.

The GTP Academic Regulations permit **timed exams only** to be rescheduled under the following circumstances:

- 2 exams scheduled in the same 24 hour period
- 3 exams scheduled in 3 consecutive 24 hour periods
- 4 exams scheduled in 4 consecutive 24 hour periods

Take home exams cannot be rescheduled.

If your schedule meets any of the above criteria and you wish to reschedule an exam, please contact the GTP office. **DO NOT contact your profesor with a request to reschedule or extend an exam.**
