

# WIRELESS PRINTING

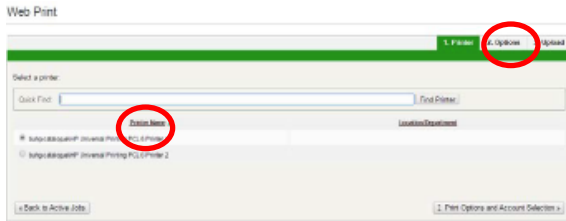

In your browser address bar, type in **192.168.13.3:9191**

A screenshot of the PaperCutNG login page. The page has a light grey background. At the top, the PaperCutNG logo is displayed in green and black. Below the logo, there are three input fields: "Username" with a blue border, "Password" with a white border, and "Language" with a dropdown menu showing "English". A "Log in" button is located at the bottom right of the form.

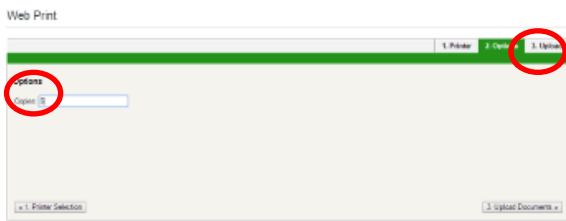

Log in using your **BU ID** (ex. **UXX-XX-XXXX**) and **password** that you use to access the WiFi (this password can be found on your personal page).

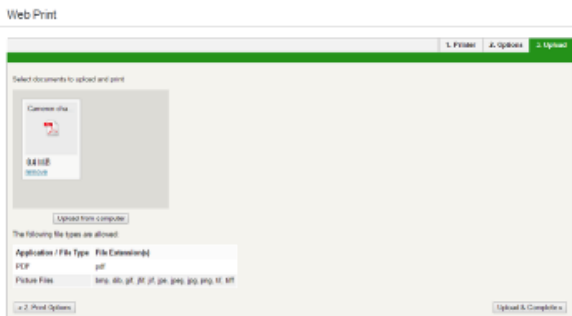

From the left-hand menu, select Web Print, then Click on **Submit a Job**.

**Printer 2** is auto-selected; to change printer, click on the Printer 3 option, then select the **Options** tab.

Enter the number of copies that you need to print, then select the **Upload** tab.

Click on Upload from computer to upload the file that you need to print, then select **Upload & Complete**.
