WHAT IS A FEDERAL GRADUATE PLUS LOAN?
The Federal Graduate PLUS Loan is a credit-based loan which is available to assist students with the costs of higher education. Eligible graduate loan borrowers are those who are enrolled at least half-time (6 credits) per semester in a graduate or professional degree that leads to a master’s, law, or medical degree. The credits must be accepted towards the degree program. The student must be a U.S. citizen or permanent resident, must not have an outstanding balance from a prior period of enrollment, and must be making satisfactory academic progress per school guidelines.

WHAT IS THE INTEREST RATE?
The interest rate on the Federal Graduate PLUS Loan for loans disbursed on/after 7/1/19 until 6/30/20 is 7.08%, fixed for the life of the loan. Interest begins to accumulate on the date of the first loan disbursement, and it continues to be charged during periods of deferment and forbearance. You may either pay the interest as it accrues (the loan servicer will send quarterly interest statements) or you may allow the interest to be capitalized (added to your loan principal balance) at the end of the deferment or forbearance. Capitalization increases the total loan amount that you must repay.

WHEN DOES REPAYMENT BEGIN?
The repayment period for the Federal Graduate PLUS Loan begins on the date after the final disbursement is made, and the first payment is due within 60 days after the date the loan is fully disbursed. However, if you are enrolled in school on at least a half-time basis, you are eligible for an in-school deferment that allows you to postpone payments until you graduate or drop below half-time status. Upon dropping to less than half-time enrollment status, the borrower can get a six month post-enrollment deferment. The first payment will be due within 45 days after the deferment end date. The loan servicer will notify the student 60 days before the deferment ends.

HOW MUCH CAN I BORROW?
Students may borrow annually a Federal Graduate PLUS Loan up to the cost of education less any financial aid the student is receiving. However, students should not borrow more than they are able to repay. There is no cumulative limit on the amount a student can borrow over the course of their education. Before deciding on an amount to borrow, students should first consider the Federal Direct Unsubsidized Loan. The maximum borrowing limit on the Federal Direct Unsubsidized Loan is $20,500 annually with the interest rate currently set at 6.08%. To begin the application process for a Direct Loan, the student should complete the Free Application for Federal Student Aid (FAFSA). If you have any questions regarding the Direct Loan Program, contact MET Graduate Financial Assistance at finanaid@bu.edu or 617-358-4072.

A 4.236% fee is deducted from the PLUS Loan proceeds. Overall, the amount available will be 4.236% less than the loan amount approved. Be sure to consider this when deciding how much to borrow. Remember, if you need to borrow for two semesters, be sure to include the amounts you would like to request for both semesters in the total loan amount requested.

HOW DO I APPLY?

1. Complete a Free Application for Federal Student Aid (FAFSA). The 2019/2020 FAFSA can be completed online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Please list “Boston University” using Federal School Code Number **002130** as a recipient of your FAFSA data. Federal Student Aid Programs will process your FAFSA and forward your data to Boston University. After your FAFSA has been processed, you will receive a Student Aid Report (SAR) from the Department of Education. You should review this report for additional information regarding your aid eligibility, and make any corrections if necessary.

2. All first-time borrowers or borrowers who borrowed with an endorser in 2018–2019 will need to complete a Federal Graduate PLUS Master Promissory Note. All other borrowers will not need to complete a promissory note. The borrower can complete the promissory note online at [www.studentloans.gov](http://www.studentloans.gov) using his/her FSA ID, which consists of a username and password. If the borrower does not already have an FSA ID, you must create one when logging into [www.studentloans.gov](http://www.studentloans.gov). The PLUS loan cannot be used in settlement of the student account until the promissory note has been completed.

   *Failure to complete the promissory note before the end of the loan period will result in cancellation of the loan.*

3. A borrower must complete PLUS entrance counseling for the Federal Graduate PLUS Loan. The requirement can be completed online at [www.studentloans.gov](http://www.studentloans.gov). Entrance counseling must be completed before loan funds can be disbursed to Boston University.

4. Students must complete the Federal Graduate PLUS Request Form and the promissory note at least three weeks before the end of the academic period. Federal legislation prohibits Boston University from certifying a federal loan after the academic period has ended. The PLUS Request Form may be faxed to MET Graduate Financial Assistance at 617-353-4494 or scanned and attached to an email to finanaid@bu.edu.

WHEN WILL THE LOAN FUNDS BE AVAILABLE?
The Graduate Federal PLUS Loan record will be sent to the Direct Loan Center for their credit review of the applicant. If the borrower passes the credit review and all requirements are met, the Direct Loan Center will send Boston University an electronic notification that the loan has been credit-approved. Once the Graduate Federal PLUS Loan has been approved by the Direct Loan Center and all loan requirements have been completed, funds for the semester will be credited electronically to the student’s account no earlier than 10 days before the start of your loan period. The funds will be available to you no earlier than the first day of classes.

If there is a credit balance on your account after the loan funds are credited, you may request a refund via the Student Link: [www.bu.edu/studentlink](http://www.bu.edu/studentlink).

If the student does not pass the credit review, the student may appeal the decision or request re-evaluation with an endorser (co-signer). Instructions regarding the appeal or endorser will be sent to you with your credit decision. If the PLUS loan is approved via appeal or endorser, the student will be required to complete a PLUS online counseling session at [www.studentloans.gov](http://www.studentloans.gov) prior to the disbursement of the loan. The student will be notified by the Department of Education if you need to complete the PLUS counseling requirement. Boston University requests that you contact MET Graduate Financial Assistance within one month to notify us of any re-evaluation request made to the Direct Loan Center. Failure to notify our office will result in the cancellation of your loan application one month after the initial denial notification and you will be required to start the process over.
