

Neurophotronics in Medicine, Symposium

Please save the date for the annual MED/NPC symposium. Come and catch up with colleagues, meet new ones, and perhaps form new collaborations. We will have four labs presenting their work followed by general discussion.

Labs presenting:

- **Chandramouli Chandrasekaran, PhD**, Anatomy and Neurobiology, Psychological and Brain Sciences
- **Mark Howe, PhD**, Psychological and Brain Sciences
- **Tarik Haydar, PhD** Anatomy and Neurobiology
- **Lynne Chantranupong, Ph.D.** Biology,
