

**Introduction**

**Description**

Searchable dashboard for Boston University registered suppliers. All the suppliers in this list are usable to create Purchase Orders in Guided BUying. The suppliers are refreshed weekly while the diversity indicators are refreshed every six months. The date of the last refresh is displayed on the dashboard.

**Definitions**

**Diversity Indicator:** The acronym that categorizes a business as a diverse business related to what certifications it currently holds. There are included short form definitions of the diversity indicators in the dashboard.

**Diversity Category:** A larger grouping of different diversity indicators that is meant to group different indicators into an easily searchable format. CIDA (Continuous Improvement and Data Analytics) manages the diversity category for the searchable database.

**Data Owners**

Sourcing & Procurement are the data owners for the searchable supplier database. If you have any issues with the searchable database, please contact Sourcing & Procurement via [the VPFA Customer Service Portal](#).

**Dashboard Errors or Issues**

[Contact CIDADATA@BU.EDU](mailto:CIDADATA@BU.EDU). Include a description and any relevant screenshots.

**Instructions**

The dashboard is available at <https://www.bu.edu/sourcing/supplier-searchable-dashboard> to anyone with a Boston University login. You will be prompted first to sign in to Power BI using your Kerberos credentials.
