

CREATE A CARD SERVICES REQUEST

1. Log in to Concur, click **(+) Create** on the home page and select **Start a Request**.

2. From the Request Type drop-down menu, select **Card Services Request**.

3. In the request header, enter the **Request Name**, **Request Date**, and **Card Service Request Type**.*
Select the appropriate Cost Object and Cost Object Approver (use your home, unrestricted cost center; do not enter a restricted account such as a grant or sponsored program.)

*The Card Service Request Type you select at the header level must align with the University Card Request you select at step 5. See the table on pages 4-5 for guidance on selecting the appropriate Card Service Request Type for the desired University Card Request.

4. Select **Create Request**.

5. Click **(+) Add** and select your desired University Card Request option from the list.

6. Complete all required fields for your request and click **Save**.

7. Click **Submit Request** to send your request for approval. Requests require the same approvals as Expense Reports (supervisor and cost object approver).
