

Curriculum vitae et studiorum of Tiziano Camporesi

May 1958	Born in Cotignola, Italy
1981	Doctor Degree from Bologna University Thesis on NA4-BCDMS experiment on measurement of Gamma-Z0 interference effects (one of the first evidences for Z0 boson)
1983-1986	Post doc at Stanford with Prof. D. Ritson MAC experiment at PEP: responsible for Tau lepton physics and contributing to the VERTEX detector project
1986	CERN Fellow Responsible of R&D on HPC calorimeter for DELPHI experiment at LEP Responsible of Commissioning and running in of the HPC during first LEP run
1989	CERN STAFF (in DELPHI experiment)
1990-1991	Online DQM project manager
1991-1993	Project manager of DELPHI STIC luminosity monitor project
1992-1994	DELPHI Luminosity analysis responsible
1994-1995	LEP Physics coordinator Coordinator of LEP working group on LEP beam energy determination
1995-2001	Member of the DELPHI Executive committee
1998-1999	DELPHI deputy spokesperson
2000-2001	DELPHI Spokesperson
2002-2003	CMS Hadron Forward calorimeter project leader
2004-2006	CMS ECAL tech coordinator
2007-2010	CMS commissioning and run coordinator
2011-2013	CMS deputy spokesperson
2014-2016	CMS spokesperson
2017-Present	CERN EP-CMS team leader (81 CERN staff, 45 Fellows, 60 Students) Responsible for the CERN CMS upgrade program for the High Luminosity LHC Upgrade
2017-present	Adjunct professor Boston University and Coordinator of the CERN part of the Boston University study abroad program

Additional responsibilities covered over the years:

1988-1990: *Organizer of the CERN EP seminars*

1994-1995: *member of the LEP scientific committee and of the CERN Research Board*

1997-2001: *group leader of the CERN EP DELPHI group*

1997-1998: *Scientific secretary of the Forum On Computing Users and Services (FOCUS committee)*

2000-2004: *Chairperson of the CERN Long Term contract Board (committee in charge of recommending Engineers and Applied physicist for the award of an indefinite contract)*

2002-2008 : *PH department representative in the Technical and Doctoral Student committee.*

2008-2011: *PH department representative in the Fellow and Scientific associate Committee*

2003-2008: *Member of the International Linear Collider World Studies Organizing Committee*

2005-2008: *Chairperson of the CERN Equal opportunity Advisory Panel*

2005-2008: *CERN representative for relations with Korea, People Republic of China and Taiwan*

2008-2010: *Member of the L.I.P. (Lisbon) International Advisory Board*

2010-present: *Member of the Doctoral Studies committee of the Physics Institute of Torino (Italy)*

2010-Present: *Member of the Portuguese FCT (Ministry agency responsible for scientific grants allocation)*

2012-Present: *assessor for Italian University performance for MIUR (Italian University Ministry agency)*

2017: *chair of the HCERES (French Education Ministry agency) review for the scientific program of Paris-Sorbonne and Paris Diderot Universities*

2017-2018: *member of the Scientific council of the French LPHNE scientific consortium in Paris*

2018 *Member of HCERES committee reviewing 5 laboratory in ORSAY*

1988- Present: *I am invited to be member of PhD thesis committee several times per year*

2000-present: *I have been and am currently member of the International Advisory Board for several international High Energy Physics conferences*

Publications.

I am author of more than 1000 papers.

I have been reviewer for Physics Letters, PHYS. Rev Letters and N.I.M.
