

**Preservation Studies Field Trip** – Spring 2022  
Historic Providence, Rhode Island  
*In partnership with Providence Preservation Society*

Saturday April 2, 2022.

An exploration Historic Providence and preservation in the city. Introduction to the work of Providence Preservation Society, with Aaron Ahlstrom, Training Coordinator at the Society. A glimpse at the Old Brick Schoolhouse, before upcoming conservation works. Heritage walk through College Hill neighborhood, a model of 1960s urban renewal that combined historic preservation and slum clearance. The riverfront renewal and a visit to Plant City on South Water Street, and the new pedestrian wooden bridge. Tour of the Historic Jewelry District with Olin Thompson, Vice President of the Jewelry District Association.
