**Beneath and Beyond Human:
Race and Technology Between Singularities**

Louis Chude-Sokei
*Professor of English;
George and Joyce Wein Chair in African American Studies;
Director, African American Studies Program*

Wednesday, November 10, 2021
7 pm

Tsai Performance Center
685 Commonwealth Avenue
Boston, Massachusetts

Established in 1950, the University Lecture each year spotlights the outstanding and thought-provoking research of a Boston University faculty member to the BU community and the general public. This year's distinguished lecturer is Louis Chude-Sokei, Professor of English, George and Joyce Wein Chair in African American Studies, and Director of the African American Studies Program in the College of Arts & Sciences. I hope you will attend what promises to be an engaging lecture and that you will encourage others to take part in this extraordinary University-wide event.

*Admission is free. The public is welcome.
This event will be recorded, but not offered via livestream.*
