While it is early in the spring semester, commencement weekend will soon be upon us. It is my pleasure to extend to you an invitation to join our 2022 graduates at the All-University Commencement exercises on Sunday, May 22, at 1 pm. I also encourage you to attend your specific school/college convocation. Commencement is an important culmination and celebration of our students' academic accomplishments. It is one of the few opportunities we have as an academic community to gather as one and recognize the collective achievements of our students.

Specific commencement information for faculty can be found on the commencement website at <https://www.bu.edu/commencement/faculty-information/>.

Your presence at these commencement ceremonies is greatly appreciated by our graduates and their families and friends. Please plan to join us during this celebratory weekend.
