SUBJECT: 2023 University Lecture – Call for Nominations

The University Lecture Committee asks for your assistance in identifying nominees for the 2023 University Lecturer.

The University Lecture was established in 1950 to honor members of the Boston University faculty engaged in outstanding research and creative pursuits. University Lecturers represent a vast array of disciplines and research topics, yet share a common commitment to excellence in scholarly inquiry and discovery. Presented each fall, the annual lecture provides an opportunity to highlight the work of a distinguished scholar and engage both the University community and the broader public in the vibrant intellectual life of Boston University.

Please consider nominating one or more of your colleagues for this honor and also bringing this invitation to the attention of others in the University community. **Nomination forms for the University Lecturer should be submitted by April 10, 2023, via email to provost@bu.edu.**

Information about the lectureship, a list of past lecturers, and a downloadable 2023 nomination form can be found on the [Provost's Office website](#).

The selection process for the lecture is designed to seek the input of a broad cross-section of the University community – one that we hope will encourage the nomination of candidates who reflect BU's commitment to diversity and inclusion. The membership of the 2023 University Lecture Committee charged with assisting with the selection is listed below.

Thank you for your assistance in recognizing the outstanding research, scholarly, and creative efforts of Boston University's talented faculty.
