Eager, ambitious, and ready to earn an MBA from wherever you are? The BU Questrom Online MBA provides a high quality, accessible way to further your education and career by earning a professional degree from a top-ranked business school, at a competitive price point, 100% online.

**DIFFERENT BY DESIGN**
Intentionally designed from the onset with the global, professionally-experienced learner in mind, the fully Online MBA offers a curriculum rooted in insights gained from over 3,000 industry professionals. It isn’t a virtual version of our on-campus program but rather a highly engaging digitally delivered MBA that embraces peer to peer learning and competency readiness for immediate application to business and industry.

To keep stride with the virtual interconnectedness of today’s business world, the Online MBA is designed to ensure that you’re getting depth and breadth of all business capabilities, focusing on the themes that drive business forward in the 21st century.

**EXPAND YOUR NETWORK**
As an Online MBA student, your network will grow exponentially. Between the outstanding faculty and staff here in Boston, your fellow students around the world, and the incredible international network of over 51,000 Questrom alumni and 335,000 BU alumni, you’ll be joining a truly global community. Your opportunities are endless, and they’re only just beginning.

**AN INTEGRATED CURRICULUM**
Completed in as little as two years, this rigorous and engaging modular curriculum is designed to build your skills and prepare you to make critical decisions in the complex global business ecosystem.

Instead of studying subjects in silos with separate courses in marketing, accounting, finance, etc., you’ll study real-world problems as they emerge—ensuring your development of the most relevant skill set to tackle challenges in a multi-faceted professional landscape.

The Online MBA begins with MOD 0 to launch the program and introduce the technology and weekly learning journey for the program. This is followed by 45 credit hours of coursework comprised of six 7.5 modules. The curriculum allows for one module per semester and each module builds on the one before it. **No more worrying about what courses to take and when.** You’ll receive the same core business skill as those in our on-campus MBA programs, but will do in a fully integrated, innovation, 100% online format.

You’ll find a number of engaging elements in the live sessions including case discussions, polling, debates, and live interviews with industry experts. And in keeping with our mission of creating value for and sharing knowledge with the world, we are able to offer the Online MBA at the competitive price point of just $4,000 per module.
