 Subject: Personnel Activity Reports (PARs) for the period ending December 31, 2022

---

To comply with Federal Regulations under Uniform Guidance 2 CFR 200, 200.430 Compensation – personnel services, all Boston University employees who are paid from Sponsored Research funds receive a personnel activity report (PAR) on a semi-annual basis to review and certify their salary and effort.

The next PAR reports will be generated for the July to December 2022 period and will include all Professional, Non-Professional, and Student employees (PARs are not generated for students who are paid on a weekly basis using timesheets).

❖ **Important Dates:**

<b>Monday, January 30<sup>th</sup></b>	Salary Adjustment approval deadline. Any Salary Adjustment not approved by this day will not be picked up on the PAR. After this date, if a salary adjustment affects December 31, 2022 and prior, it cannot be approved until the corresponding PAR is received.
<b>Monday, February 6<sup>th</sup></b>	Effort Reporting distributes PARs and Control Logs by email to Department Administrators and Effort Coordinators. (Please note, Effort Reporting is unable to process early PAR requests for adjustments.)
<b>Friday, April 7<sup>th</sup></b>	<b>PAR return date. All PARs must be submitted to <a href="mailto:effort@bu.edu">effort@bu.edu</a>.</b> Any PAR received after this date runs the risk of disallowance (salary plus corresponding fringe and indirect).

❖ **Certification eligibility: Who may sign?**

<b>Faculty and non-faculty PIs</b>	Must certify their own PARs
<b>Non-faculty personnel (i.e. professional staff and lab techs)</b>	Employee or the PI/Supervisor may certify
<b>Students</b>	Employee or the PI/Supervisor may certify

❖ **Acceptable Signatures:** Scanned handwritten and digital signatures are acceptable.

❖ **Return Completed PARs to [effort@bu.edu](mailto:effort@bu.edu):**

<b><u>If single PDF</u></b>	Label file name with <u>Last Name</u> , <u>First Name</u> , and <u>Employee Type</u> (e.g., “Pro” for Professional; “Student” for Student; “NP” or “Non-Pro” for Non-Professional)
<b><u>If multipage PDF</u></b>	1. Send a separate .PDF for each Employee Type (“Professional,” “Non-Professional,” or “Student”); and 2. The .PDF name should include the Employee Type and Mail Code.

**PLEASE READ THE IMPORTANT PAR PROCESSING GUIDELINES LISTED BELOW:**

**PAR Distribution:**

- Only those employees with eligible payroll cost distribution of at least one sponsored project (over .5% of the total) will receive a PAR.
- The mail code/org unit listed on the PAR represents the employee’s current mail code/org unit.
- An employee who receives multiple PARs (due to moving between Employee Type professional, non-professional, and/or student) must certify each PAR.

**A PAR is considered certified when the following criteria are met:**

- “% of Effort Expended” column is completed.
- Please complete the “% of Effort Expended” column only; do not alter the first two columns (“Unrestricted Breakdown” and “% of Salary Charged”).
- The column adds up to 100% (Whole numbers only... no decimals).
- The appropriate certifier has signed, dated, and printed his/her name. If certifier is not the employee, the PI or Supervisor box must be checked on the form for verification.
- The Cost Sharing Activity section must be completed for all PARs marked “Faculty – Over DHHS Cap.”

**Sponsored Program Effort Certification Policy:**

- Faculty and administrators should refer to this policy which was developed and implemented to provide clear guidance on the PAR process. The policy can be viewed on our website at: <http://www.bu.edu/researchsupport/forms-policies/sponsored-program-effort-certification-policy/>

**Cost Sharing Calculation:**

- Utilize the CAP worksheets to calculate the cost share percentages for sponsors who impose a limit or “cap” on the annual rate of salary reimbursement. You can find the form on our website: <http://www.bu.edu/researchsupport/project-lifecycle/managing-an-award/effort/>  
Please use the appropriate Cap Cheat Sheet for the faculty member (either 9 month or 12 month). The percentage of effort should not be less than that committed to the sponsor for each award on which the employee is the PI or key personnel. Also, be mindful of PAR- eligible wage types and Faculty with accrual.

**Salary Adjustments:**

- A Salary Adjustment must be submitted if the salary charged is greater than the actual effort. Please refer to the University’s Salary Adjustment Policy at: <http://www.bu.edu/researchsupport/forms-policies/sponsored-program-salary-adjustment/>
- Once a PAR has been certified, only in rare circumstances will subsequent salary adjustments be permitted. Please refer to section H, "Salary Reallocation & Recertification" of the Sponsored Program Effort Certification Policy.
