

MINOR IN SPANISH

THE SPANISH MINOR REQUIRES SIX 4-CREDIT CAS LS COURSES IN LANGUAGE, LITERATURE, AND LINGUISTICS, NUMBERED 254 AND ABOVE

Of those six courses, up to two may be 300-level language courses taken in Boston and/or through Study Abroad programs and chosen (in any order) from the following: CAS LS 306, 307, 308, 310, 311.

Heritage speakers may take only one 300-level language course: CAS LS 309.

Up to four courses taken through Boston University's Study Abroad programs in Madrid may count toward the minor.

All prospective student minors should seek advice and approval from a minor advisor to design a six-course program that is consistent with their individual background, interests, and goals.
