

# ITALIAN LANGUAGE LEARNERS Club

## WHO ARE WE?

We are a community of Italian language learners at Boston University. Our group is dedicated to learning and practicing Italian while fostering a community with fellow language learners.

## WHO CAN JOIN?

We welcome all students, regardless of their level of Italian proficiency. Whether you're just starting out or are already fluent, we offer an environment for everyone to practice, learn, and enjoy the Italian language and culture.

## WHAT WE DO?

We organize events where Italian language learners can connect with others, practice their skills, and immerse themselves in Italian culture.
