

Are you ready for an  
**EPIC**  
DESIGN COMPETITION?

Join us on **September 26<sup>th</sup> at 4:00PM** at EPIC for the Competition Kick-Off and Information Session! Learn more about how Garlock is using the Internet of Things to improve product performance. Teams will pick a Garlock product, learn about the product, and design a new, improved, more interactive product using embedded sensors.

The Competition will run from September 26, 2014 through November 14, 2014

**Prizes awarded to the top three teams:**

First place - \$5,000

Second place - \$2,500

Third place - \$1,000

Garlock representatives will be onsite to answer your questions!

Pizza and refreshments provided!

All College of Engineering students are welcome!

For more information on Garlock products visit **[garlock.com](http://garlock.com)**.

For more information on the competition contact Gerry Fine at **[gjfine@bu.edu](mailto:gjfine@bu.edu)**.
