Courses with a check box can be selected to be added your Planner.

Flagged courses are not available due to being full or reserved for select populations of students. The "Notes" column can provide additional info.

You can select the course number to view the course description. Short course title, instructor last name, open seats, credits, course type and course dates/times will display.

Indicates Class blocked from registration, Click flag for additional information.

Check box(es) for course(s) to add to planner, then select 'Continue Search' to search for more courses or select 'Add to Planner' to add selected courses to your planner.
