

Kevin Berner, OTD, OTR/L, ATP

kberner@bu.edu

EDUCATION

Boston University College of Health and Rehabilitation Sciences: Sargent College, Boston, MA

Post Professional Doctorate in Occupational Therapy

September 2016

Master of Science in Occupational Therapy

January 2005

Bachelor of Science in Human Physiology with a minor in Psychology

May 1999

CERTIFICATION & LICENSURE

- Licensed Occupational Therapist, Massachusetts (lic # 8989)
- Registered Occupational Therapist, National Board of Certification of Occupational Therapists (reg # 1074443)
- Certified Assistive Technology Practitioner (ATP), Rehabilitation Engineering and Assistive Technology Society of North America (RESNA)

ACADEMIC APPOINTMENTS

Adjunct Faculty

September 2009 – present

Department of Occupational Therapy, Boston University, Boston, MA

- Primary instructor for two courses in entry level occupational therapy doctoral programs
- Facilitate hands-on application session in graduate level assistive technology course
- Coordinate interdisciplinary content experts and guest lecturers to enhance the student experience
- Develop course content and learning assessment in compliance with accreditation standards
- Design and advise independent study and graduate assistant experiences

Doctoral Project Academic Mentor

May 2017 – present

Department of Occupational Therapy, Boston University, Boston, MA

- Support post-professional students with scholarly work in remote post-professional doctoral program
- Provide feedback and guidance on development of student cumulative doctoral project
- Collaborate remotely with faculty to refine and revise curriculum and program

Adjunct Faculty

July 2020 – present

Massachusetts General Institute of Health Professions, Boston MA

- Developed and led an elective graduate course on assistive technology
- Develop assignments and objective grading criteria to assess student learning

Adjunct Faculty

September 2017 – December 2017

Department of Occupational Therapy, Regis College, Weston MA

- Developed and led a graduate course on clinical reasoning
- Coordinate interdisciplinary collaboration experiences with other medical professions at Regis College
- Develop assignments and objective grading criteria to assess student learning

OCCUPATIONAL EXPERIENCE & CLINICAL COMPETENCE

Occupational Therapist & Assistive Technology Professional

March 2019– present

Canton Public Schools, Canton, MA

- Identify supports to promote success for special education students
- Provide consultation to educators to optimize inclusion and classroom participation
- Develop assistive technology consultation initiatives at elementary and middle schools

Kevin Berner, OTD, OTR/L, ATP

kberner@bu.edu

OCCUPATIONAL EXPERIENCE & CLINICAL COMPETENCE (continued)

Per Diem Occupational Therapist:

The Boston Home, Dorchester MA

December 2012-present

Braintree Rehabilitation Hospital, Braintree, MA

April 2008 – September 2017

- Perform evaluations and implement treatment plans in neurobehavioral physical rehabilitation setting
- Mentor clinical staff to develop skills for assistive technology assessment, implementation and training

Senior Assistive Technology Specialist

October 2018 – February 2019

Clinical Supervisor

December 2014 – September 2018

Assistive Technology Specialist

November 2012 – December 2014

Easter Seals Massachusetts, Worcester MA

- Lead interprofessional team of Assistive Technology (AT) Professionals
- Perform assessments, installation, customization and training in the use of Assistive Technology to meet client goals
- Coordinate programs for vocational rehab, post-secondary education & independent living clients with disabilities
- Manage grant funded programs and initiatives including state funded Independent Living AT program
- Improve capacity and quality of service through staff development and program evaluation
- Develop and provide professional education opportunities statewide
- Determine appropriate technology to assist individuals with disabilities to meet their educational, vocational, and independent living goals in the home and at work
- Perform ergonomic assessments to optimize performance and prevent musculoskeletal injury
- Fabricate custom adaptations to improve access to assistive devices
- Create and deliver training seminars and workshops for professional and lay audiences

Occupational Therapist

April 2009 – November 2012

The Boston Home, Dorchester, MA

- Evaluate and treat adults in advanced stages of progressive neurological conditions in long term care setting
- Guide rehabilitation aides in assisting residents in performing home exercise and rehabilitation programs
- Perform assistive technology assessments and training for individuals with a variety of client factors including low vision, perceptual impairments, upper extremity function impairments, and cognitive impairments
- Mentor volunteer and fellowship resources in providing assistive technology support
- Provide staff education on assistive technology setup and positioning device use for specific residents

Occupational Therapist II

April 2008 – March 2009

Massachusetts Hospital School, Canton, MA

- Directly supervise COTA, rehabilitation aide and OT graduate interns as well as provide mentorship to OTR
- Evaluate and treat children and young adults with neurological conditions in the clinic, residence, and classroom
- Educate staff and monitor compliance with medical and therapy feeding recommendations on an interdisciplinary dysphagia team

Occupational Therapist

January 2005 – April 2008

Braintree Rehabilitation Hospital Neurobehavioral Rehabilitation Unit, Braintree, MA

- Perform evaluations and implement treatment plans in neurobehavioral physical rehabilitation setting
- Lead team to integrate upper extremity robotics and functional electrical stimulation program
- Lead team of therapists to integrate research protocol for a blinded clinical trial
- Supervise and mentor full time graduate-level occupational therapy interns
- Perform seating assessments and produce letters of medical necessity in outpatient wheelchair clinic

OCCUPATIONAL EXPERIENCE & CLINICAL COMPETENCE (continued)

Course Instructor and Student Advisor

December 1999 – June 2004

Boston University *Training for the Future and Recovery Center* Programs, Boston, MA

- Develop curricula and instruct classes focusing on life skills, computer competency, and Internet use in a community-based program for adults with psychiatric disabilities
- Supervise and mentor classroom assistants and new staff
- Perform individualized academic advising to support participation in program and career development
- Collaborate with a multidisciplinary team in program development

Website Administrator

December 1998 – June 2004

Boston University Rehabilitation Research and Training Center on Psych Disability, Boston, MA

- Create and maintain a 700+ page Internet site for an internationally recognized mental health organization
- Assist in participant recruitment, data collection, and data analysis for NIDRR funded research projects
- Assist in design and launch of an Internet-based professional development distance-learning program

HONORS AND AWARDS

- Employee Spirit Award, Easter Seals Massachusetts, 2013
- Certificate of Appreciation Award, New England Occupational Therapy Education Council, 2012
- Florence G. Hunter Award, Boston University Occupational Therapy Department, 2004

- Berner, K. *Internet training for persons with psychiatric disability*. 27th Annual Conference for the International Association of Psychosocial Rehabilitation Services, Toronto, Canada (June 12, 2002).

Kevin Berner, OTD, OTR/L, ATP

kberner@bu.edu

Invited Presentations (continued):

- Hamilton, K. & Berner, K. *Rehabilitation and recovery services at the Center for Psychiatric Rehabilitation*. Boston University Occupational Therapy Department, Boston, MA (December 4, 2001).
- Berner, K. & McNamara, S. *Professional development trainings using the Internet*. Center for Psychiatric Rehabilitation General Staff Meeting, Boston, MA (October 4, 2000).
- Berner, K. *Reaching our stakeholders using the World Wide Web: A presentation of innovative RRTC web sites*. 22nd Annual National Association of Rehabilitation Research and Training Centers (NARRTC) Conference, Washington, DC (May 7, 2000).

MENTORING

- Baker-Malone, Sahana. *The Baker-Malone sensorimotor protocol for addressing bowel and bladder dysfunction*. Boston University Post Professional Occupational Therapy Doctoral Program. (Primary Academic Mentor: May 2021 - present).
- Simmons, Kalie. *An occupation based community program for individuals affected by human trafficking*. Boston University Post Professional Occupational Therapy Doctoral Program. (Primary Academic Mentor: September 2020 - present).
- Dinan, Carole. *Visual perception in school-aged children and its impact on occupational performance*. Boston University Post Professional Occupational Therapy Doctoral Program. (Primary Academic Mentor: September 2019 - present).
- Maynard, Margaret. *Brachial plexus birth injuries: Online community provider learning modules*. Boston University Post Professional Occupational Therapy Doctoral Program. (Primary Academic Mentor: September 2019 - present).
- Panico, Jeanine. *An occupation based community program for refugee experiencing resettlement*. Boston University Post Professional Occupational Therapy Doctoral Program. (Primary Academic Mentor: January 2019 - present).
- Byrne, Jennifer. *Vocational Education for Children with Disabilities in East Africa: Uwezo*. Boston University Post Professional Occupational Therapy Doctoral Program. (Primary Academic Mentor: May 2019 - May, 2021).
- Karkazian, Aleek. *RA Empowerment: A health and wellness self-management program*. Boston University Post Professional Occupational Therapy Doctoral Program. (Primary Academic Mentor: September 2019 - May, 2021).
- Chandra, Natasha. *Take a stability equilibrium course (take a SEC): An affordable and accessible mental health support program for graduate students*. Boston University Post Professional Occupational Therapy Doctoral Program. (Primary Academic Mentor: May 2019 - May, 2021).
- Gray, Ashley Nicole. *Adolescents with Autism and sexual health: Let's tackle the gap!* Boston University Post Professional Occupational Therapy Doctoral Program. (Primary Academic Mentor: May 2019 - May, 2021).
- Reilly, Mary Siberry. *Switching on engagement: Occupational therapy and assistive technology in the classroom*. Boston University Post Professional Occupational Therapy Doctoral Program. (Primary Academic Mentor: January 2019 - December, 2020).
- MacAlpine, Heidi. *We C.A.R.E. 2: A parent-child community yoga program that promotes health and well being of caregivers and their children with Autism Spectrum Disorder*. Boston University Post Professional Occupational Therapy Doctoral Program. (Primary Academic Mentor: September 2017 - December, 2019).
- Bertran, Christina M. *Teach back: An educational program for parents of children with Autism Spectrum Disorder to promote play*. Boston University Post Professional Occupational Therapy Doctoral Program. (Primary Academic Mentor: September 2017 - September, 2019).
- Logannathan, Shamini. *Telehealth for inclusion: Understanding classroom attention and participation*. Boston University Post Professional Occupational Therapy Doctoral Program. (Primary Academic Mentor: May 2017 - September, 2019).

Kevin Berner, OTD, OTR/L, ATP

kberner@bu.edu

MENTORING (continued)

Lemisch, Lynda Sue Gwon. *School busses for students supporting seniors*. Boston University Post Professional Occupational Therapy Doctoral Program. (Primary Academic Mentor: May 2017 - May, 2019).

Panebianco, Michelle. *The INSPIRE model for productive living: A proposed process model for community based occupational therapy services*. Boston University Post Professional Occupational Therapy Doctoral Program. (Primary Academic Mentor: May 2017 - May, 2019).

TEACHING

Berner, Kevin. *Course instructor, OT 538: Assistive technology*. Boston University Entry Level Occupational Therapy Doctoral Program program. (Spring 2021).

Berner, Kevin. *Course instructor, OT 940: Economic and political factors that influence occupational therapy*. Boston University Entry Level Occupational Therapy Doctoral Program program. (Summer 2021).

Berner, Kevin. *Course instructor & Lab Instructor, OH 776: Special topics in assistive technology*. MGH Institute of Health Professions Entry Level Occupational Therapy Doctoral Program program. (Fall 2020).

Berner, Kevin. *Course instructor & Lab Instructor, OT 538: Assistive technology*. Boston University Entry Level Occupational Therapy Doctoral Program program. (Spring 2020).

Berner, Kevin. *Course instructor & Lab Instructor, OT 538: Assistive technology*. Boston University Entry Level Occupational Therapy Doctoral Program program. (Spring 2019).

Berner, Kevin. *Course instructor & Lab Instructor, OT 538: Assistive technology*. Boston University Entry Level Occupational Therapy Doctoral Program program. (Spring 2018).

Berner, Kevin. *Course instructor & Lab Instructor, OT 538: Assistive technology*. Boston University Entry Level Occupational Therapy Doctoral Program program. (Spring 2017).

Berner, Kevin. *OTH 644: Clinical reasoning in occupational therapy*. Regis College Entry Level Masters in Occupational Therapy program. (Fall, 2017).

Berner, Kevin. *Course instructor & Lab Instructor, OT 538: Assistive technology*. Boston University Entry Level Masters in Occupational Therapy program. (Fall 2016).

Berner, Kevin. *Course instructor, OT 566: Client factors in occupational therapy*. Boston University Entry Level Masters in Occupational Therapy program. (Spring 2016).

SERVICE ACTIVITY

- *Beta Tester: Switch Scanning Accessibility Setting*, Google LLC, Mountain View, CA (December 2020)
- *Assistant Coach*, Braintree Youth Soccer, Braintree MA (Fall 2017, Fall 2018, Spring 2021)
- *Content Reviewer*, Massachusetts Institute of Technology Professional Practice in Assistive Technology course, Cambridge MA (Fall 2020)
- *Panel Reviewer*, Massachusetts Institute of Technology Professional Practice in Assistive Technology course, Cambridge MA (Fall 2015, Fall 2016, Fall 2017)
- *Refugee Transition Volunteer*, Jewish Family Services of Metrowest, Framingham MA (October 2016-March 2017)
- *Technology Reviewer*, Travis Roy Foundation, Boston MA (October 2016 – December 2016)
- *JWT Memorial Bike/Run/Walk for the Angel Fund*, Tiverton, RI, Event Volunteer (July 10, 2010)
- *St Jude's Children's Research Hospital Event Volunteer: Big Dreams Start Small*, Boston, MA (April 8, 2006 and September 29, 2007)
- *Outdoor Explorations*, Medford MA; Adventure Volunteer (April 2003-January 2007)

PROFESSIONAL MEMBERSHIPS

- American Occupational Therapy Association member (2000-present)
- Rehabilitation Engineering and Assistive Technology Society of North America (2013-2017)
