Education

Doctor of Occupational Therapy | Boston University | Boston, MA (2016)

Thesis: *E.D.U.C.A.T.E: A toolbox for practitioners in promoting health and wellness in long-term care facilities*

Master of Science, Occupational Therapy | Boston University | Boston, MA (2015)

Bachelor of Science, Brain, Behavior, & Cognitive Science | University of Michigan | Ann Arbor, MI (2010)

Credentials

- Registered Occupational Therapist, National Board for Certification in Occupational Therapy (2015 – present)
- Licensed Occupational Therapist, Commonwealth of Massachusetts (2015 – present)

Academic Professional Experience

Boston University | Boston, MA

Clinical Assistant Professor & Academic Fieldwork Coordinator (July 2024 – present)

Educate and mentor entry-level (OTD) students while facilitating a positive learning environment that promotes clinical reasoning and supports future leaders of the profession. Create, implement, and oversee Accreditation Council for Occupational Therapy Education (ACOTE) C Standards. Further responsibilities include participation in program development, capstone support and academic mentorship, student advising, and prospective student application reviews.

- Formal Teaching:
 - *OT 502: Integrative Seminar III, Instructor (Fall 2024)*
 - *OT 589: Orientation to Practice, Instructor (Fall 2024)*
- Advising:
 - Faculty Advisor, Sargent College Occupational Therapy Association (2022-present)
 - Academic Mentor, Doctoral Capstone (2022-present)
- Committee Participation:
 - Faculty Action Plan, Department of Occupational Therapy (2022-present)
 - Petitions Committee, Department of Occupational Therapy (2024-present)

Boston University | Boston, MA

Lecturer (January 2022 – June 2024)

Educate and mentor entry-level (OTD) students while facilitating a positive learning environment that promotes clinical reasoning and supports future leaders of the profession. Further responsibilities include participation in program development, capstone support and academic mentorship, student advising, and prospective student application reviews.

- Formal Teaching:
 - *OT 501: Integrative Seminar II, Instructor (Spring 2022)*
 - *OT 538: Assistive Technology, Application Instructor (Spring 2022)*
 - *OT 565: Skills for Occupation Based Practice II, Co-instructor (Spring 2022, Spring 2024)*
 - *OT 942: Health and Wellness Promotion (Summer 2022)*
 - *OT 502: Integrative Seminar III, Co-instructor (Fall 2022, Fall 2023)*
 - *OT 563: Context and Occupational Performance, Instructor (Fall 2022)*
 - *OT 564: Skills for Occupation Based Practice I, Application Instructor (Fall 2022, Fall 2023)*
- Advising:
 - Faculty Advisor, Sargent College Occupational Therapy Association (2022-present)
 - Academic Mentor, Doctoral Capstone (2022-present)
- Committee Participation:
 - Faculty Action Plan (2022-present)

Boston University | Boston, MA

Adjunct Faculty Member (September 2019 – December 2021)

Educate and mentor entry-level (OTD) students while facilitating a positive learning environment that promotes clinical reasoning and supports future leaders of the profession. Further responsibilities include participation in program development and prospective student application reviews.

- Formal Teaching:
 - *OT 526: Functional Movement: Analysis and Assessment, Co-instructor (Fall 2019, Fall 2020, Fall 2021)*
 - *OT 564: Skills for Occupation Based Practice I, Co-instructor (Fall 2020), Application Instructor (Fall 2021)*
 - *OT 565: Skills for Occupation Based Practice II, Co-instructor (Spring 2020, Spring 2021)*
 - *OT 563: Context and Occupational Performance, Instructor (Fall 2021)*

Clinical Professional Experience

Shriners Children's Hospital – Boston | Boston, MA

Occupational Therapist, Per Diem (September 2019 – present)

Provide specialized evaluation and treatment for burn survivors using a recovery model of care. Skills include splinting, manual therapy and facilitation, and positioning within context of healing and daily routine to promote participation in developmentally appropriate occupations.

Leanna W. Katz, OT, OTD, OTR – Private Homecare Services | Boston, MA

Occupational Therapist, Per Diem (March 2019 – present)

Provide specialized, client-centered skilled interventions for individuals of different ages with neurological conditions within the home setting.

- Provide individualized rehabilitative services in the home setting to promote optimal health and well-being
- Discharge planning for individuals and consultation with families

Spaulding Rehabilitation Hospital | Boston, MA

Occupational Therapist, Per Diem (March 2015 – September 2015; December 2018 – present)

Evaluate and provide skilled intervention for individuals of different ages with various diagnoses and conditions including spinal cord injuries, neurological disorders, stroke, burn, and orthopedic injuries in an inpatient rehabilitation facility.

- Provide evidence-based and occupation-based interventions
- Discharge planning for individuals and consultation with families

ILI Therapy Staffing Inc. Homecare Agency | Boston, MA

Occupational Therapist, Per Diem (August 2019 – April 2021)

Evaluate and provide skilled intervention for individuals of different ages with cardiac, orthopedic, neurological, and poly-traumatic diagnoses within the homecare setting.

- Provide evidence-based and occupation-based home-health evaluations and interventions
- Discharge planning for individuals and consultation with families

Massachusetts General Hospital | Boston, MA

Occupational Therapist, Clinician (December 2018 – July 2019)

Evaluate and provide skilled intervention and client-centered care, with aim to improve the health and well-being of the diverse communities served utilizing best practice standards.

- Provide occupation-based interventions to individuals with cardiac, orthopedic, neurological, and poly-traumatic diagnoses in an acute care setting that are client-centered and evidence-based

- Collaborate with medical team for discharge planning and continuum of care
- Member, Program Improvement Task Force: Understanding the unique role of OT with potential Left Ventricular Assistive Device (LVAD) candidates

Spaulding Rehabilitation Hospital | Boston, MA

Occupational Therapist, Advanced Clinician (September 2015 – December 2018)

Evaluate and provide skilled intervention for individuals of different ages (18+) with a range of neurological conditions and dual-diagnoses.

- Provide occupation-based interventions that are client-centered and evidence-based
- Discharge planning for individuals and consultation with family members/caregivers
- Co-facilitator and co-creator of Brain Injury Caregiver Support Group
- In-service professional presentations:
 - **Katz, L. W.** & Speroni, B. E. (2016, April). Rapael Smart Glove Virtual Reality
 - **Katz, L. W.** (2018, February). Sleep outcomes following sleep-hygiene-related interventions for individuals with TBI: A systematic review
- Supervise Level I and Level II students
- Mentor new clinicians
- Coordinate responsibilities and supervise Northeastern University co-op students
- Member, SRH Green Team Committee (Collaborative Learning Improvement Project Team Co-Leader, Spring 2018)
- Member, SRH Skin and Wound Assessment Team (SWAT) Team
- Group Leader and Facilitator: Living Skills Group, Cooking Group, Upper Extremity Group, Adaptive Cycling Group

National Committee Service

ACRM Rehabilitation Treatment Specification Networking Group

Group Member (2018 – present); Curriculum Task Force Co-Chair (2020 – present)

- Collaborate with colleagues from various disciplines on evolving research and evidence-based practice using the Rehabilitation Treatment Specification Manual.
- Engage in various taskforces (“Implementation Assessment” Taskforce, “Curriculum” Taskforce, “Cochrane Review” Taskforce), with goals of developing implementation protocols for utilizing the manual in practice by delineating process and mechanism of actions of rehabilitation treatments relevant to classroom curriculum and clinical settings.
- Develop agenda and facilitate monthly group meetings for the “Curriculum” Taskforce with the goal to disseminate information about the RTSS

ACRM Stroke Interdisciplinary Special Interest Group

Group Member (2018 – present)

- Collaborate with colleagues from various disciplines on timely, relevant, and impactful evidence-based practice related to stroke and brain injury rehabilitation with aim to present findings via various media (e.g. oral presentations, manuscripts, webinars)
- Engage in scholarship within the “Health and Wellness” Taskforce that addresses self-management strategies, quality of life, exercise, mental health, and diet

Additional Experience

Pilates Instructor

Certified Pilates Instructor, Power Pilates (2011 – present)

Albert Schweitzer Fellowship | Boston, MA

Committee Member, Fellow For Life (2016 – 2018)

- Review applications and interview applicants for the nationally recognized Albert Schweitzer Fellowship

- Organize educational activities and events for past, present, and future fellows

The Youth Institute of Science and Technology (NGO) | Ejisu-Abenase, Ghana (2011 – 2012)

- Develop curriculum and assignments for health education that are culturally competent and context specific
- Provide one-on-one tutoring, mentoring, supportive services, and educational advisement
- Engage in community outreach in surrounding rural villages to publicize the new high school, cultivate relationships with parents and children, and recruit students

Society Memberships

- World Federation of Occupational Therapists (2020 – present)
- Massachusetts Association of Occupational Therapy (2018 – present)
- American Congress of Rehabilitation Medicine (2018 – present)
- American Occupational Therapy Association (2012 – present)

Honors and Awards

- Innovation in Teaching and Learning Grant, *Summer 2022*
- Member Spotlight, ACRM Stroke Matters Newsletter, *Fall 2021*
- Fellow, Albert Schweitzer Fellowship (2014 – 2015)
