Boston University College of Health
& Rehabilitation Sciences: Sargent College
Department of Physical Therapy and Athletic Training

Clinical Assistant Professor
Physical Therapy

We invite applications for a full-time, 9-month clinical faculty position (non-tenure) in the Department of Physical Therapy & Athletic Training at Boston University College of Health and Rehabilitation Sciences: Sargent College. Responsibilities include teaching and advising in the Doctor of Physical Therapy (DPT) program, engaging in scholarly activities, and participation in institutional and professional service activities. We are seeking an individual with teaching and clinical expertise in cardiopulmonary disorders, acute care and clinical medicine to join a strong faculty dedicated to pushing the boundaries of education to optimize the growth and development of our students.

BU Sargent College is part of a vibrant academic and research community that includes 16 schools and colleges across Boston University's Charles River and Medical campuses. The department of Physical Therapy & Athletic Training believes that the cultural and social diversity of our faculty, staff, and students is vitally important to the distinction and excellence of our research and academic programs. To that, we are especially eager to have a colleague who supports our institutional commitment to ensuring BU is inclusive, equitable, diverse, and a place where all constituents can thrive. The College offers undergraduate, professional, and post-professional degree programs in a wide range of areas including physical therapy, athletic training, occupational therapy, rehabilitation sciences, and speech, language, and hearing sciences. For more information about our programs, visit our website at: http://www.bu.edu/sargent/academics/departments-programs/physical-therapy-athletic-training/

Minimum qualifications include:
- Professional degree (DPT) and U.S. licensure in Physical Therapy (MA eligible)
- PhD, ScD or EdD preferred
- Demonstrated expertise in a cardiovascular and pulmonary physical therapy, ABPTS certification (cardiovascular and pulmonary preferred) or advanced specialized training.
- Experience in education / teaching and record of scholarship
- Professional vision consistent with emerging health care patterns and changes in educational requirements of health care professionals

Interested candidates should send a letter of intent including a statement of clinical and scholarly interests, curriculum vitae, and contact information for three references to:
