APPLICATION CHECK LIST

Please include the following materials with your application form.

Provide a one-page (single spaced) description of your intended project, written in consultation with the faculty mentor who has agreed to work with you. This proposal should briefly outline the major goal(s) of the proposed work, the significance of the work, and include a short description of the methods that will be used to perform the research. Also include a timeline of the project such as information about data collection, data analysis, and writing, to illustrate the the project is feasible to complete.

Provide a brief (1-2 paragraphs) description of how this project will help you to fulfill your academic and career goals.

STUDENT AND FACULTY MENTOR SIGNATURES

This page must be signed by *both* the student and proposed faculty mentor, after both parties have discussed the proposed project, and have reached an agreement to pursue this research.
