\* Core Curriculum students will take CC 101/102 and 201/202. CGS students will take CGS RH101/102. Students required to submit TOEFL scores may be placed into WR 097/098 prior to taking their WR 100/150 sequence.

\*\*This requirement can also be met by a score of 560 or higher on the SAT:Foreign Language Subject Test, a score of 4 or better on the AP language test, or through proficiency testing given by the CAS Advising Office at 100 Bay State Road, 4<sup>th</sup> floor.

\*\*\*All students in CAS are required to complete at least two courses in each Mathematics/Computer Science, Natural Science (one with a lab component), Social Sciences and Humanities. Sociology majors will fulfill both of their Social Science requirements and one of their Math/Computer Science requirements through completion of the major required courses. For a list of courses which count for divisional studies credit, students should visit the CAS bulletin at <http://www.bu.edu/academics/cas/programs/divisional-studies/>.

† Sociology majors who have completed Core Curriculum courses CC 203/204 or CGS SS 101/102 will receive credit for SO 100 and should not take SO 100.
