Opportunities!

Jobs/Internships/Volunteering & more!

- MCH Research Fellowship
The MCH Center of Excellence is looking for a fellow to work on a new project, "Bridging the Chasm between Pregnancy and Women’s Health over the Life Course". Fellow will need to be available 0.5-1 day a week between February and September. Please contact Natasha Lerner (lernern@bu.edu) for more information.

- Health Communications Summer Practicum
Have you started your practicum search? YLabs is an organization that works to tackle health challenges faced by disadvantaged youth around the world. They are looking for a student with health communications experience to work on a sexual health project. Applications close March 29th! Check out Handshake for more details.

- Graduate Research Assistant- Part-Time
Boston University School of Social Work is looking for a part-time Graduate Research Assistant to help with the evaluation of the Early Connections/Conexiones Tempranas program. The intervention looks at the needs of mothers with trauma and their children. Applicants should be proficient in SPANISH (reading, writing, speaking). Applications close February 22nd! Check out Handshake for more details.

Student Shoutout!

1st year MPH Candidate
Kimberly Blair
Kimberly recently started a fellowship with the Planned Parenthood League of Massachusetts as one of this year’s MCH Practice Fellowship recipients. She will be working as a member of Planned Parenthood’s Executive Team’s Strategic Plan working group to design and implement sexual and reproductive health interventions across the state.

SCPH would like to wish Kimberly all the best as she takes on this new position!
