

Questionnaire and Application for BUSPH Grant Writing Workshop

To help us learn about you and enable us to track outcomes for the workshop, please take a few minutes to complete this brief survey. Your responses will be kept confidential by the workshop directors. We will only share your responses in deidentified and aggregate form.

Please submit completed forms to Bernard Harlow bharlow@bu.edu

Name: _____

Title: _____

Department: _____

Email: _____

1. Please tell us why you are interested in attending this workshop?

2. What is the target funding agency and mechanism for your proposal?

3. Please describe the grant you wish to work on.

4. To what extent have you already discussed this grant proposal with your mentors/colleagues?

5. How much do you expect your mentors/colleagues to be involved in the preparation of this grant?

6. Please rate your current KNOWLEDGE of the following topics

a. Standard application format for NIH research proposals

b. Criteria used for the review of NIH research proposals

c. Scoring used for the review of NIH research proposals

d. Steps in the NIH proposal review process (Assignment to a study section, responsibilities of assigned reviewers, procedures during study section, etc.)

e. Level of detail that NIH reviewers expect to see in different proposal sections

f. Scope of work that is appropriate for my target funding mechanism (R01, K, Etc.)

7. Please rate your current LEVEL OF EXPERIENCE in the following task areas:

a. Writing research grant proposals

b. Reviewing research grant proposals

c. Identifying strengths and weaknesses in my own writing

d. Applying reader feedback to improve my writing

8. Have you ever SUBMITTED a research grant of any kind as the Principal Investigator?

I am interested in participating in the Grant Writing Workshop and agree to the following expectations:

I will make every attempt to attend each of the workshop sessions.

I will provide peer review to my colleagues during this workshop.

I will plan to complete the grant proposal in time for an October, 2019 submission.
