

# Online MPH Student Ambassador Profiles

Interested in connecting with a current Online MPH student?

Meet our Fall 2023 cohort of Student Ambassadors, a group of current students who work alongside faculty, staff, and administration to help prospective students discover Boston University School of Public Health, and all it has to offer! Student Ambassadors are available to chat via email, on the phone, or zoom to answer your questions about being an Online MPH student at Boston University School of Public Health. Take a look at our student profiles below and if you have shared a public health interest contact us at [olmphsuccess@bu.edu](mailto:olmphsuccess@bu.edu) and we'll help you make a connection!
