- SPH GH 715 Antiretroviral Program Management and Adherence Issues in Low-Resource Settings (2 cr)
- SPH GH 795 Global AIDS Epidemic (4 cr)
- SPH GH 801 How to License a New Vaccine (4 cr)
- SPH GH 805 Controversies in Global Control & Eradication of Infectious Diseases (2 cr)
- SPH PH 825 Analysis of Emerging Infections Using the One Health Approach (4 cr)

Potential 4 credit overlap between certificates

Integrative Learning Experience

(0 credits)

Integrate, synthesize, and apply the knowledge and skills you have learned throughout the MPH program. ILE is completed during final semester. The ILE is completed through your functional certificate.

*Student **must** follow course requirements relative to the semester they matriculated. Official requirements are listed in the Academic Bulletin. Degree Progress via MyBU Student Portal

**PH700 Foundations of Public Health (0 cr.) is a self-directed, online course completed prior to matriculation.

***PH746 Career PREP is a career development course (on-campus or online) students must complete prior to graduation.

Dual degree students should consult the academic bulletin for official degree requirements as they differ from the roadmap.
