**Please Note:**

- Students are required to take the courses specified in this program plan and two courses that students choose as a cohort: one advanced Policy Elective and one Social Work Elective.
- *Field Education is done concurrently with practice method courses, so that the field experience can be integrated with classroom learning. Concurrency of clinical courses in first internship (CP759 and CP770s) and concurrency of advanced clinical elective for a minimum of one semester of the advanced placement is required.*
- Any deviation from this program plan must be made in consultation with the OCP Administrator.
