SCREENING, BRIEF INTERVENTION, AND REFERRAL TO TREATMENT (SBIRT)

Description

Number of CE credit hours: **4**
Cost of Online Course: **\$120**
Group Pricing: **\$100 per learner (10-24 learners); \$80 per learner (25 or more learners)**

SBIRT is an evidence-based practice used to identify, reduce, and prevent problematic use, abuse, and dependence on alcohol and illicit drugs. Coupled with "motivational interviewing," in which the clinician partners with the client to make decisions about the client's care, SBIRT is used in primary care practices, hospitals, clinics, emergency rooms, college and university health services, employee assistance programs and a range of community settings.

This online course has rolling enrollment and is self-paced.

FREQUENTLY ASKED QUESTIONS

What happens if somebody takes the last seat in a course while I'm still browsing?

Seating in courses goes to whoever first pays for the seat. You can leave courses in your shopping cart indefinitely, so just adding a course to your cart doesn't reserve a seat in it.
