FAQs

What is the purpose of BU Connects?

This online platform, exclusively for Boston University alumni and students, brings together Terriers for personal and professional networking on a global scale, with a special emphasis on mentoring. Its users have access to a broad and influential global network.

How does it work?

Members are encouraged to activate their profile by logging in via LinkedIn. Users can also create an account with their email address or BU credentials. Once logged in, users can join affinity/professional groups, network directly using the member directory, engage in mentorship, and find or fill a job. A central BU Connects feed hosts an ongoing dialogue with questions, comments, and opportunities shared by alumni and students alike. Users can also stay up to date with the latest news and upcoming events from BU.

Who are the members?

BU Connects is an inclusive platform open to the entire BU community. Members might include:

- Students seeking internships, career advice, and job opportunities
- Alumni seeking to raise their individual profile
- Established professionals looking to give back to today's students
- Proud Terriers interested in hearing about the achievements of our campus and global communities
- People looking to connect on a personal level, in addition to a professional one

How will BU Connects overlap with other existing offerings for alumni and students?

- BU Connects replaces the great foundation laid by the popular **Career Advisory Network (CAN)**. CAN Advisors are encouraged to increase their potential for impact by joining BU Connects.
- BU Connects features an integration with **Handshake**, the University's career-management system and job board. The most recent jobs and internships posted to Handshake will appear in BU Connects.
