REGISTRATION GUIDE

Registration for Fall 2023 opens April 1st at 9:00 AM EST.

Please register early as online courses fill up quickly. Please note online students have priority registration for online courses. All online students will be accommodated with a course that meets their program requirements. If you are placed on the waitlist it does not guarantee that you will get a spot in your first choice request. All students will be offered an option that will allow them to progress in the program.

This following information will assist you in preparing for the next semester in the program.

Before registering:

Resolve outstanding balances on your student account.

Confirm your account is in compliance.

*Please note these outstanding matters can result in a hold on your account and may prevent you from registering.

Which courses should I register for?

All students follow a standard program plan to ensure completion of the requirements for the MSW degree. Program plans will vary depending on your major (Clinical or Macro), your track (HSE, TT, or AS) and your semester of entrance.

Standard program plans can be found [here](#). Click [here](#) to access course descriptions. If you are following a revised program plan and need a copy, please contact sswolp@bu.edu.

Any adjustments to your program plans must receive written pre-approval to ensure that you meet the requirements for graduation. To request a revised program plan, please use the [Revised Program Plan Request Form](#).

FOR STUDENTS ENTERING FOUNDATION PLACEMENTS IN FALL:

A virtual seminar will be available for all students entering their foundation field placement in the fall. This bi-monthly seminar is designed to help students integrate classroom and field learning with a focus on individual practice skills via case presentations, process recordings and peer support and supervision. Seminars will be available for both macro and clinical students. Seminars available in fall 2023 will run for seven weeks. All virtual sessions will run for 1 hour and 30 minutes, time credited as field education hours. Teaching methods will consist of group discussion and case presentations.

We welcome any students interested to register for FE 800 X1 in fall 2023, session times to be determined. Please enroll by June 1, 2023. Any questions regarding seminar please contact sswfed@bu.edu
