Please Note: <ul style="list-style-type: none"> Advanced Standing students in the OCP must take 2-3 courses through either the BUSSW Online Program or at the BU Charles River Campus. The tuition for the online and the CRC courses is assessed at a higher rate than for Off-Campus courses. Students are required to take the courses specified in this program plan and two courses that students choose as a cohort: one advanced Policy Elective and one Social Work Elective. <i>Field Education is done concurrently with practice method courses, so that the field experience can be integrated with classroom learning.</i> 			
Any deviation from this program plan must be made in consultation with the OCP Administrator.			5.2023
