-------------------	---

- Oversee effective utilization of financial resources, personnel, and the physical plant.
- Lead team development and facilitate a healthy and diverse work environment to support the success and growth of all team members.

Jan. 2023-May 2023    Interim Director, Health and Human Services Audits Unit, *Office of Massachusetts State Auditor*, Boston, MA

- Motivated team members by setting clear expectations, recognizing high-quality work, providing opportunities for growth and development, empowering team members to take the lead on new projects and tasks, and fostering a positive and supportive work environment.
- Developed and implemented a change management plan to facilitate the shift to a more collaborative work culture.
  - Established clear expectations for the use of tools and resources provided to improve communication, feedback, teamwork, and collaborative learning.
  - Implemented new supervision and team-building processes to support staff in change adoption.
  - Identified training and development opportunities tailored to the professional development needs of each staff in the unit.
  - Identified unit- and office-wide capacity building needs to support staff in conducting equity and performance auditing, and stakeholder engagement.
- Drove innovation across the organization.
  - Developed and utilized a stakeholder mapping tool to enhance the engagement of external partners.
  - Initiated planning, charter development, and a plan for equity and performance audit working group and training.
  - Introduced learning organization concepts and tools, including “before and after action reviews” to improve teamwork, communications, and quality of work produced.
- Led unit-level strategic planning process; delegated tasks to unit managers and lead auditors to facilitate team ownership of strategic goals and efforts.
  - Developed tools to encourage meaningful engagement of all staff in the values-setting and planning process.
- Provided subject matter expertise to executive leadership and audit teams, including proposing new lines of work and capacity-building to address office-wide skills gaps.

Dec. 2022-Present    Founder and Principal, *Tami Gouveia, Inc.*, Acton, MA

- Manage all aspects of a multimedia proprietorship, including strategic direction setting, content development, and management of sub-contractors.
- Author of *Dr.'s Orders* newsletter.
- Producer and host of POD (Power of Democracy) for the People! podcast.

- Jan. 2019-Jan. 2023 State Representative, 14<sup>th</sup> Middlesex District, *Massachusetts House of Representatives*, Boston, MA
- Leveraged relationships and research skills in a complex state policymaking environment to pass legislation in health, climate change, environmental health, mental health, and transportation.
  - Authored 20+ bills and led several working groups of colleagues to advance economic and racial equity in public health, COVID response and recovery, social services, and mental health.
  - Provided resources and case management to more than 5,000 residents.
  - Provided regular Facebook Live briefings to educate the public about the pandemic and effective ways to protect themselves and their families from infection.
  - Planned and facilitated more than a dozen policy and substantive briefings for legislative colleagues.
  - Member of the Joint Committee on Mental Health, Substance Use, and Recovery; Children, Families, and Persons with Disabilities; Consumer Protection and Professional Licensure; Municipalities and Regional Government; Export Development
- Dec. 2015-Apr. 2020 Project Director and Senior Associate, ReThink Health, *The Rippel Foundation*, Morristown, NJ
- Directed project teams to advance learning and thought partnership with national foundations and client organizations.
  - Conducted qualitative research and reporting for national field-building efforts in stewardship for equitable health and well-being.
  - Curated a library of training materials, case studies, and other materials to support a national peer learning cohort.
  - Developed tools and processes for use in consultation with nationwide client organizations.
- Apr. 2013-Dec. 2015 Executive Director, Tobacco Free Mass, *American Cancer Society*, Framingham, MA
- Led the 80+ member coalition in strategic planning, operations, action planning, fundraising, budgeting, and legislative campaigns.
  - Launched and led the “Tobacco-Free College Campus” effort with support from the Office of Howard Koh, Assistant Secretary of the U.S. Department of Health and Human Services. Executed a statewide symposium on the topic buttressed by a follow-up three-part webinar series to increase the number of tobacco-free college campuses across the state.
  - Passed first-in-the-nation e-cigarette prevention legislation, in what has become a model for other states.
  - Tripled legislative co-sponsorship of priority prevention legislation.
  - Led interdisciplinary team to secure \$146,000 in funding to support the research of innovative prevention policy and subsequent publication of findings.

- Jan. 2010-Mar. 2010 Grant Writing Consultant, *Melrose Health Department*  
Melrose, MA
- Jul. 2008-Jun. 2012 Director, ASPECTS Consulting Division, *Northeast Center for Healthy Communities, Greater Lawrence Family Health Center*, Lawrence, MA
- Provided consulting services to small and large non-profit organizations, boards, community-based coalitions, and municipalities. Consulting services included strategic planning, program assessment and environmental scanning, action planning, evaluation, board and team development, and grant writing.
  - Streamlined internal budgeting processes and financial management protocols for effective budget management.
  - Facilitated strategic planning process for a \$280 million hospital network to meet patient needs and ensure alignment with Attorney General's Community Benefits guidelines.
  - Facilitated strategic planning for a \$52 million healthcare organization with a focus on streamlining operations, implementing lean management principles, and enhancing the quality of healthcare services to patients.
  - Developed and implemented a marketing plan, leading to a 100% increase in fee-based contracts.
  - Developed and implemented a client relations plan leading to 200% improvement in client satisfaction with services delivered.
- Feb. 2004-Jun. 2012 Director of Programs and Assistant Director, *Northeast Center for Healthy Communities, Greater Lawrence Family Health Center*, Lawrence, MA
- Oversaw multiple business lines for health and public health, including operations and reporting for \$6.5 million in federal and state grants, and municipal contracts.
  - Procured more than \$3 million in multi-year federal and state funding and maintained positive funder relations.
  - Held primary accountability for three health promotion and prevention programs, providing culturally appropriate services to children and youth throughout northeastern Massachusetts, with combined annual budgets of more than \$425,000.
  - Supervised a diverse 14-member team, including establishing and maintaining oversight of the internship program.
  - Initiated new processes for hiring, onboarding, and managing a team of 14 including mid- and entry-level personnel, and interns.
  - Expanded the Center's internship program to diversify the racial, economic, and academic backgrounds of interns.
  - Developed a seven-part leadership curriculum for the Northeast Youth Leadership Institute offered to 40 Massachusetts-based youth.

- May 2003-Dec. 2005 Program Evaluation Consultant, *Family Services, Inc.*  
Lawrence, MA
- Nov. 2002-Feb. 2004 Program Assistant, Lowell Center for Sustainable Production, *University of Massachusetts at Lowell*, Lowell, MA
- Conducted research and co-authored articles, fact sheets, and research reports on environmental health.
  - Supported logistics for international meetings and briefings.
- Jan. 2002-Nov. 2002 Project Manager, Research Department, *Fenway Community Health Center*, Boston, MA
- Conducted qualitative research analysis, including in-person interviews, on effective strategies to improve HIV-related healthcare for HIV-positive men.
  - Trained community partners in grant-funded research components to enhance communications, operations, and reporting.
  - Managed funder relations and wrote grant reports.
- Mar. 1999-Nov. 1999 Counselor, *Support Committee for Battered Women*, Waltham, MA
- Counseled hotline callers and survivors residing at the shelter.
- Mar. 1998-Jan. 2000 Supervisor and Residential Counselor, *Germaine Lawrence, Inc.*, Arlington, MA
- Coordinated and led group counseling sessions for 13 clients in a residential treatment program.
  - Supervised three shifts per week, including staff and student supervision, and crisis management.
