ONLINE PROGRAM - REGISTRATION GUIDE

Registration for Summer 2024 opens February 15 at 7 AM EST.

Please register early as online courses fill up quickly. Please note online students have priority registration for online courses. All online students will be accommodated with a course that meets their program requirements. If you are placed on the waitlist it does not guarantee that you will get a spot in your first choice request. All students will be offered an option that will allow them to progress in the program.

This following information will assist you in preparing for the next semester in the program.

**Before registering:**

- Resolve outstanding balances on your student account.
- Confirm your account is in compliance.

*Please note these outstanding matters can result in a hold on your account and may prevent you from registering.

**Which courses should I register for?**

All students follow a standard program plan to ensure completion of the requirements for the MSW degree. Program plans will vary depending on your major (Clinical or Macro), your track (HSE, TT, or AS) and your semester of entrance.

Standard program plans can be found here. Click here to access course descriptions. If you are following a revised program plan and need a copy, please contact sswolp@bu.edu.

Please note IS 100 – Professional Development Seminar will now be listed as IS 600. Updates will be made to your program plans.

Any adjustments to your program plans must receive written pre-approval to ensure that you meet the requirements for graduation. To request a revised program plan, please use the Revised Program Plan Request Form.
