

Career Resources for Charles River Campus Students

Use this guide to find career coaching, social work programming, and BU tools for your job search and professional development.

Start here

- **Talk to your Student Services team.** For guidance and referrals, email sswoss@bu.edu.
- **Book individual CCD career coaching.** Charles River Campus students can schedule through Handshake for resume and CV feedback, interviews, job search strategy, career exploration, salary negotiation, and professional branding.
- **Explore the Education and Human Services Career Community.** Agustina Moron is a CCD Career Success Coach whose community includes social work, education, human services, nonprofits, and community organizations. Review current coach availability in Handshake.
- **After graduation.** Campus-based degree alumni may remain eligible for CCD appointments; check the current alumni policy and appointment limits before scheduling.
- **Join BUSSW programming.** Look for social work licensure workshops, alumni panels, career readiness sessions, and networking opportunities offered across program formats.

Resources available across BUSSW programs

[BUSSW Career Services](#) offers a social work career guide, workshop recordings, licensure information, and links to BU career platforms.

[Handshake](#) is BU's career platform for jobs and internships, employer information, and registration for eligible CCD workshops, fairs, and events. Check each event's format; in-person events require travel.

[Virtual Career Center](#) [career tools and platforms](#) offer career exploration, resume and cover letter advice, interview preparation, networking, LinkedIn, salary negotiation, and industry resources. Explore its [career tools and platforms](#), including [VMock](#) for automated document feedback and Vault career guides.

[BU Connects](#) Connects BU students, alumni, faculty, and staff for professional networking and mentoring.
