

GET CONNECTED

BU INFORMATION SERVICES & TECHNOLOGY

WIRELESS (Wi-Fi)

For laptops, phones,
or tablets

1. Select "Eduroam" in Wi-Fi settings
2. For Wi-Fi Login:
 - Enter <username>@bu.edu + your BU password
 - Tap "Accept" if security certificate appears

WIRED (Ethernet)

For gaming console,
smart TVs, or computers

1. Connect Ethernet to the wall port (adapter may be needed)
2. Use a basic switch/hub for multiple devices (routers are prohibited)

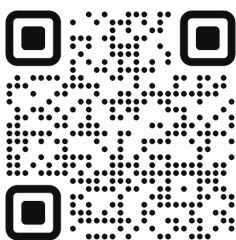

TIPS

If you are
having trouble

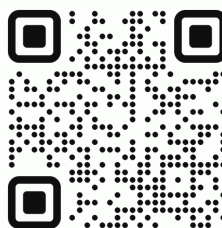

Restart your device and
check cable connections.
