Melbourne Cup Sweeps

Monday, 3 November 10am-5pm

Spots are limited! Sign up in the BUSAC Office

Melbourne Cup is 'the Race that stops the Nation' in Australia. In fact, there is a strong likelihood your internship site will be doing something for the race on Tuesday. Here at BUSAC we'll be running a Sweeps. How does it work? You put in either \$1, \$2, or \$5 bets and draw a horse's name. Place your bets in the office with Jenna or Caroline! Cheer on your horse during the race. If your horse places first, second, third, or last, you get a share of the winnings! For general info about the Cup see Timeout Sydney's guide:

The group will be enjoying the scenic ferry ride across Sydney Harbour to Manly. Once there, students are encouraged to explore restaurants, shops, and partake in activities such as kayaking, biking, going to the Manly Sealife Sanctuary, or completing the Manly to Spit Bridge Scenic Walk.
