With the end of semester farewell coming up fast, it's time to start collecting photos for the Farewell Slideshow. We're asking for any fantastic shots you've taken during your time here in Oz. Images can be amazing landscapes, fun moments from your travels and internships, or even just great shots from nights out in Sydney. Any photos submitted will be entered into the Photo Contest. Winning images will receive a CA\$H PRIZE at the Farewell on 28 July. Submit to Jenna in the office via USB stick, with your top 20 photos labeled with your name.
