Winter Wonderland at Argyle

Friday, 24 July
The Argyle, The Rocks

Embrace the cold and step through the looking glass into a frozen oasis of snow flurries, ice sculptures, and a killer DJ set from Andy Murphy to blast away those winter blues. Argyle will be painting the town white for one night only, with snow machines causing a ruckus in the Courtyard, ice luges and cocktails, and our Snow Angels dancing up a storm. And it wouldn't be a wonderland without a few surprises...
