

## **FLM: Reading for Writing**

### **In-Class Activity**

#### *Online Implementation*

You will be put into a break-out room with a few other students. Work with your group mates to:

1. Write two statements that connect this text (current text assigned for the unit) to the previous readings covered in this class. You can type the statements into a shared Google doc, or you can create a simple Padlet that all your group members can edit.
2. Formulate three questions that explore these connections further; in writing the questions, follow the guidelines for effective strategies and use at least two different templates. Again, write the questions in your shared Google doc or Padlet.
