**Word Derivatives Chart #1**

1) Work in a small group to complete the following paradigm using at least one missing word form. If a form does not exist, write an **X** in the box.

| NOUN | VERB | ADJECTIVE | ADVERB | OTHER |
|---|---|---|---|---|
| theory | | | | |
| | interpret | | | |
| | | economic | | |
| | | | periodically | |
| concept | | | | |
| | analyze | | | |
| | | individual | | |
| | | | significantly | |
| research | | | | |
| | evaluate | | | |
| | | regulatory | | |
| | | | categorically | |

2) Once you have completed the paradigm, underline relevant affixes (prefixes or suffixes) from an assigned row.  Compare these to the  "Affixes" handout and try to create as many viable word form variations as possible for that particular root word.
