4. Manage Business Travel Arrangements and Reimbursements

Once you are logged in successfully, You're ready to get started!

The home page will show features that have been activated for your profile. Take a few moments to familiarize yourself with these options.

The screenshot displays the 'TRIP SEARCH' form on the Boston University website. At the top left is the Boston University logo, followed by a 'Hello,' greeting. The form is titled 'TRIP SEARCH' and includes a toggle for 'Booking for myself' (selected) and 'Book for a guest'. Below this are icons for different travel modes: airplane, car, train, and a clock. A central box contains text about passport/visa requirements and ESTA authorization. The 'Mixed Flight/Train Search' section features three buttons: 'Round Trip', 'One Way' (selected), and 'Multi City'. It includes 'From' and 'To' input fields with placeholder text 'Departure city, airport or train station' and 'Arrival city, airport or train station' respectively, each with a 'Find an airport' and 'Select multiple airports' link. A large orange 'Search' button is at the bottom.

Section 2: Updating Your Travel Profile

Section 3: Make a Reservation

Flight Search or Flight, Car and Hotel Combined

1. Select "Booking for myself"
2. Then **Airplane icon** at the top of the page.
3. The type of **Flight Searches** are:
 - *Round Trip*
 - *One Way*
 - *Multi-Segment*
4. Enter the **From and To** with the city name airport code or train station
5. "Find an Airport" will help if you are unfamiliar with the area.
6. Next the calendar will provide dates for **Departure** and **Return** with inventory up to 331 days out
7. And a dropdown will show you the **depart/arrive** option by hour
8. The more hours allowed to search before and after your times (+3 field) the more flight options will be returned.
9. You can also select to reserve a car or see hotel options in the same search or add those later
10. Click **Search**
11. Select your preferred flights by Schedule or Price or modify the search with the toggles on the left or the matrix at the top
12. **Review and Reserve** the flight segments before completing the reservation or adding car and hotel and remember to **Select your Seats**

Note:

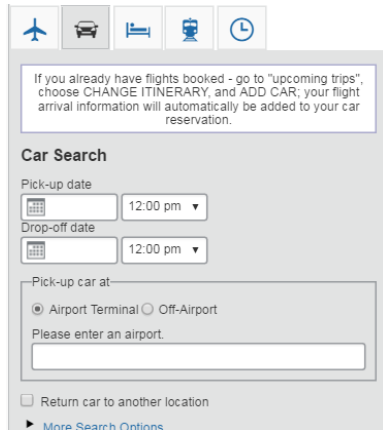

- The **Select** buttons are color coded and reflect BU's travel policy.
 - A *green* Select button indicates the fare is within policy
 - A *yellow* Select button indicates the fare is outside of policy. If you select this fare, you will be asked to provide a reason for booking outside of BU's travel policy
 - A *red* Select button indicates this is out of policy and you will not be allowed to confirm this segment

The screenshot shows a flight search interface. At the top, there are links for "Booking for myself" and "Book for a guest". Below these are icons for different travel modes: airplane, car, hotel, and a combination of car and hotel. A message box states: "If you are booking Southwest, remember - there is a brand new process! Be sure to check the new 'Southwest booking Tips' document on the Company Notes page." The "Flight Search" section has three tabs: "Round Trip" (selected), "One Way", and "Multi City". Below the tabs are fields for "From" and "To", each with a "Find an airport" link and a "Select multiple airports" link. The "Outbound" section has a calendar icon, a "depart" dropdown, a time field set to "09:00 am", a "+3" field, and a dropdown arrow. The "Return" section has a similar layout with a time field set to "05:00 pm". At the bottom, there are three checkboxes: "Pick-up/Drop-off car at airport", "Automatically reserve this car", and "Find a Hotel".

Car Search

If you need to reserve a Car only, the quickest method is to select the Car icon. Then, simply enter your car requirements and select Search.

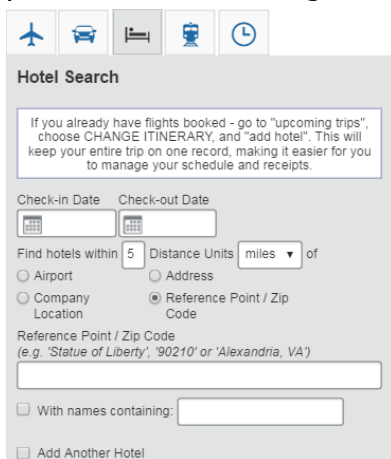

Additional Search Options can be expanded to search for specific requirements

The Car Search form features a navigation bar with icons for Airplane, Car, Hotel, Train, and Clock. Below the icons is a tip box: "If you already have flights booked - go to 'upcoming trips', choose CHANGE ITINERARY, and ADD CAR; your flight arrival information will automatically be added to your car reservation." The main section is titled "Car Search" and includes fields for "Pick-up date" and "Drop-off date", each with a calendar icon and a time dropdown set to "12:00 pm". Below these is a "Pick-up car at:" section with radio buttons for "Airport Terminal" (selected) and "Off-Airport", followed by a text input field labeled "Please enter an airport:". At the bottom, there is a checkbox for "Return car to another location" and a link for "More Search Options".

Hotel Search

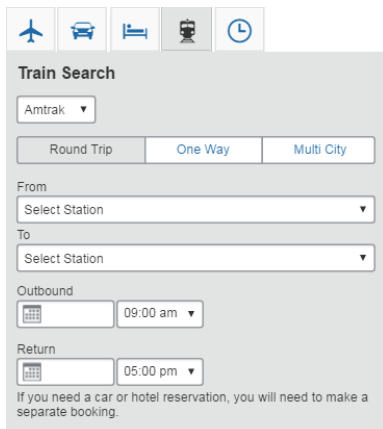

Searching for Hotels only can be accomplished quickly by selecting the hotel bed icon and entering the perimeters for searching.

The Hotel Search form has a navigation bar with icons for Airplane, Car, Hotel, Train, and Clock. A tip box states: "If you already have flights booked - go to 'upcoming trips', choose CHANGE ITINERARY, and 'add hotel'. This will keep your entire trip on one record, making it easier for you to manage your schedule and receipts." The "Hotel Search" section includes "Check-in Date" and "Check-out Date" fields with calendar icons. Below is a "Find hotels within" section with a distance input set to "5" and a "Distance Units" dropdown set to "miles". There are three radio button options: "Airport", "Address", and "Reference Point / Zip Code" (selected). A text input field for "Reference Point / Zip Code" is provided with the example "(e.g. 'Statue of Liberty', '90210' or 'Alexandria, VA')". At the bottom, there is a checkbox for "With names containing:" followed by a text input field, and another checkbox for "Add Another Hotel".

Train Search

Train only schedules are available for Amtrak or Via Rail by selecting the Train Engine icon. The Airplane icon will compare Flights and Train schedules and fares also.

The Train Search form features a navigation bar with icons for Airplane, Car, Hotel, Train, and Clock. The "Train Search" section starts with a dropdown menu set to "Amtrak". Below this are three buttons: "Round Trip", "One Way" (selected), and "Multi City". The "From" field is a dropdown menu labeled "Select Station". The "To" field is also a dropdown menu labeled "Select Station". Below these are "Outbound" and "Return" sections, each with a calendar icon and a time dropdown set to "09:00 am" and "05:00 pm" respectively. At the bottom, a note states: "If you need a car or hotel reservation, you will need to make a separate booking."

Section 4: Cancel or Change a Reservation

After purchase, scheduled flights will appear on the traveler's Concur Home page in the "Upcoming Trips" tab.

The screenshot shows the Concur Travel Home page. The top navigation bar includes 'CONCUR', 'Travel', and 'App Center'. Below this, there are tabs for 'Travel', 'Trip Library', 'Templates', and 'Tools'. The 'Travel' tab is active, showing a 'Flight Search' section with fields for 'Departure City' and 'Arrival City', and a 'Search' button. To the right, the 'Travel Alerts' section displays a table of upcoming trips. The table has columns for 'Trip Name/Description', 'Status', 'Start Date', 'End Date', and 'Action'. One trip is listed: 'Trip from Minneapolis/St. Paul to Indianapolis (ZODXSI)' with a status of 'Confirmed' and dates '06/23/2015' to '06/28/2015'. The 'Action' column for this trip contains a 'Cancel Trip' link.

If it is necessary to CANCEL the flight, click on "**Cancel Flight**" under Action. A warning will appear:

The screenshot shows a 'Cancel Trip' warning dialog box. It contains a warning icon and text: 'WARNING: You are about to withdraw your request. If you do this, all reservations (including flight, hotel, rental car, and rail) will be cancelled.' Below this, there is a paragraph explaining that if a trip is cancelled on the day of the planned trip and hotel reservations have been guaranteed for late arrival, the user must call the hotel directly or risk paying a no-show charge. Concur cannot cancel hotel reservations made when the user contacted the hotel directly. Another paragraph states that if the user has any questions, they should contact their travel agent. A third paragraph says that if the user is SURE that they want to withdraw this request, they should click OK. Otherwise, they should click CANCEL. A fourth paragraph asks if the user has any comments they would like to add (for reporting only) and to type them below and click OK. At the bottom of the dialog box, there are two buttons: 'OK' and 'Cancel'.

After clicking the "OK" button, the trip will be cancelled and cancellation numbers will be provided, if the vendor is able to send them to Concur.

Note: If you are unable to cancel or modify the reservation, as needed, please contact Direct Travel Agents at Phone: 617-353-1700 or Email Address: travelbooking@bu.edu for assistance.

Section 5: Booking Travel for Others

You have several choices for booking travel for others

- Booking **for someone that is traveling with you and needs to be in the same record**
- Travel Arrangers booking a BU Community Employee that is a profiled traveler
- Booking a non-profiled **Guest** traveler
- Booking Group Travel on behalf of Student Activities or other Student Groups

For someone that is traveling with you and needs to be in the same record

The purpose for booking this type of travel varies but it is primarily for family inclusion on a trip that you want the following advantages:

Book this travel with *Direct Travel* Agents

Advantages

- all travelers are on one reservation
- seats are assigned at the same time
- if one traveler has upgrade status, more than one can be upgraded
- traveler profile information for companions is retained
- two credit cards can be used

Disadvantages

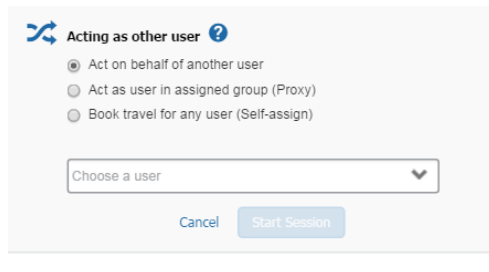

- Direct Travel can service the caller 24x7, but after hours fees may apply if outside of 8a-6p ET

Travel Arranger reserving for a Boston University Faculty or Staff Member

This would be primarily used by an Administrator reserving travel on behalf of others that are employed by Boston University

Using *Concur Travel*, you will need to be setup as a Travel Arranger and either have self-assigned yourself as the Staff Member's Arranger or they have set you as their Travel Arranger

- Easy to select the Traveler's name from the "Profile" dropdown in the Upper Right corner of the home page

- Select to Book travel for any user (Self-assign) and then enter the name to "Start Session". The traveler will receive an email that you have assigned yourself as an Arranger for them.
- Then reserve travel as you would normally for yourself

Using a *Direct Travel* Agent to reserve travel for another profiled traveler

- You may call to speak with an agent on behalf of another traveler at Phone: 617-353-1700 or Email Address: travelbooking@bu.edu
- A credit card will need to be provided for the reservation as we can only charge another's credit card with their explicit approval

Non-profiled Boston Guest

This feature is configured by profile so you will only see it, if your profile has been allowed to make this type of Guest reservation.

Using *Concur Travel*, the feature "Booking for a guest" will display on the home screen.

1. Select and reserve the air, car, hotel or rail segments required as you would normally book travel
2. Once the travel is selected, the "Reserve and Review" screens will allow you to populate
 - a. the Legal Name of the Traveler per their Passport or Driver's License
 - b. their date of birth
 - c. Gender
 - d. Credit Card for Payment
 - e. Frequent Traveler numbers, and
 - f. select Seats

Enter the name of the guest traveler you're booking the trip for. The guest's trip will be subjected to the "Guest Class" policy, or in its absence, the policy which applies to you. Once the trip is booked, it will show up on your Travel home page and be assigned to your account. When you view the itinerary, you will see the traveler's name on the itinerary.

Please make certain that the first and last names shown below are identical to those on the photo identification that the guest traveler will be presenting at the airport. Due to increased airport security, the guest may be turned away at the gate if the name on their identification does not match the name on their ticket.

The screenshot shows the 'Guest Traveler' form. It has two radio buttons at the top: 'Manual Entry' (selected) and 'Look up a previous guest by name:'. Below this are input fields for 'Title', 'Legal First Name', 'Middle Name (on ID)', and 'Legal Last Name'. There is a checkbox for 'No Middle Name'. Below these are fields for 'Gender' (a dropdown menu) and 'Date Of Birth' (a date picker). Further down are fields for 'Known Traveler Number' and 'DHS Redress No.' (with a help icon). At the bottom are fields for 'Phone' (with a dropdown menu) and 'Email'.

3. An Invoice/Itinerary known as a Virtual Invoice will be sent to the Email address updated in the reservation.

Using a *Direct Travel Agent* to reserve travel for a Guest

To speak directly with an agent on behalf of another traveler, please call or email at

- Phone: 617-353-1700
- Email Address: travelbooking@bu.edu

1. The agent will use your existing profile to complete the reservation
2. Form of payment must be provided for each reservation
3. You will need to know the Traveler's Legal Name, Date of Birth and Gender to complete

Booking Group Travel on behalf of Student Activities or other Groups

Student Activities Office

The process for a Student Organization utilizing the Student Activities Office are as follows:

1. The person organizing travel as the Group Contact must entirely complete the OrgSync form found on the Student Activities website including the Organization Name, Event Name and Location
2. Once completed the form is transmitted to Direct Travel for a quote and travel options
3. Direct Travel will provide travel options with pricing to the Group Contact for approval
4. The Student must complete a second form to request funds which is found on the SAO website
5. SAO will review and grant an approval with a number that must be forwarded to Direct Travel within 24 hours of quote to generate tickets and complete the reservation
6. The SAO will make payment for the air travel and group hotels over 10 rooms. The Student must secure non-group room reservation to secure payment from SAO
7. A Virtual Invoice/Itinerary will be sent to the Student Contact and SAO, once completed by Direct Travel

For All Other Groups (Not SAO)

The process for all other Groups traveling on university business:

1. The person organizing travel and making payment for this Group Travel must visit the Travel Services website and complete the Group Travel Request Form, then contact Direct Travel at Phone: 617-353-1700 or Email Address: travelbooking@bu.edu
2. Send Request Form to travelbooking@bu.edu and follow up with a phone call to Direct Travel if request is time sensitive in nature.
3. The Event Name will be collected for reporting; please follow your departments preferred method of pre-trip authorization.
4. Once travel options and pricing have been provided and approved, the reservation will be completed and a Virtual Invoice will be sent by Direct Travel to the Contact (card holder).

Note:

- Any Groups under 10 travelers or 10 hotel rooms will be supported by the dedicated agents with standard discounts and standard reservations for hotel and car. This type of group is defined as a meeting and is not recognized as a group by air, car or hotel vendors. If a convention hotel is needed, the organizing person may need to complete that hotel reservation.
- If the group is over 10, the Group Agent and Strategic Hotel Resource will engage to obtain better discounts and services as required by the Group. Convention reservations may need to be booked by the organizing person and this will be clarified at time of booking.

Check Flight Status

Concur provides the ability to search for arrival information on any Air Carrier, regardless of whether you booked the reservation or not.

Select “Check Flight Status” (clock icon) and enter city pair, date and carrier with the flight number being optional.

Adding to an Existing Reservation

When a segment is previously booked and you wish to add additional travel segments there are steps you will want to take to combine this in one reservation. For example Air travel was previously booked and you now wish to add a car.

1. Go to “Upcoming Trips”
2. Choose the itinerary you wish to modify or add additional segments
3. Search for and select all necessary segments to add
4. Complete the travel with Reserve and Review, as you normally would with a new reservation

Note: Be sure you check the dates and times closely so they match to provide a seamless happy travel arrangement
