Registering for Fall

Juniors and Seniors will register on April 15. Freshmen and Sophomores will register April 22. Check here for your start time.

Use the Personal tab on Student Link to check your university compliance status. Map your courses in the online planner to make registration a breeze!

Think ahead!
The best way to avoid surprises is to make a plan. Follow our tips to plan your remaining semesters so you don’t miss anything!

1. Figure out which courses are required and what their prerequisites are. Write these down first!
2. Mark which courses are only offered in the fall or the spring. Which ones are flexible (like your PDP) and which must be during a certain semester?
3. Do you want to study abroad? Block out a lighter semester for travel!
4. Consider your other commitments, such as internships and jobs, when scheduling classes.
5. Which courses will be challenging? Remember to spread these out over several semesters, or balance them with fun, less intensive courses!
6. Make a backup plan for courses that tend to fill up fast.
7. Run your plan by your advisor, either through email or in person.

Congratulations! You’re ready for a stress-free registration!

Continuing students, post your registration tips on Facebook!

Cheer the Boston Marathon!

Monday, April 16 • 11:30 am
Join us in the GSU to make signs, then come out to Beacon St to cheer the runners!
Let us know you’re coming!

Throughout April

Global Days of Service

April 16 • Patriot’s Day
April 18 • Monday Schedule
April 19 • (12am – 2:30pm) Earth Day Festival at the GSU
May 2 • Last Day of Classes
May 4 • (3pm – 5pm)
First Gen Connect Study Break
Be on the lookout for the invite!

For a job with summer housing, apply to become a SARP actor and educate incoming students about bystander intervention!

Moving and Storage

What should I do with my stuff? Here are some options!

1. Donate to charity: Do you have nice clothes that don’t fit or usable things you don’t need? Most dorms have donation bins so your things can be put to use even after you’re done with them!

2. Shipping: UPS offers student shipping for items you need to bring home but can’t carry with you. You can find materials at the UPS Store at 1085 Comm Ave and at residence locations prior to move-out.

3. Curb to Curb Pick-Up and Drop-Off: If you don’t have large items or transportation, consider getting your things picked up in May and dropped off in September. Make sure to shop around! You can get this service from UPS, Storage Squad, and College Boxes.

4. Self-Storage Units: If you have a lot of items, it may be cheaper to rent a self-storage unit. Consider what size you will need and look for the best price. To cut costs, think about splitting a bigger unit with a friend. CubeSmart and Public Storage are good places to start.

Remember to like and follow us to hear about time-sensitive opportunities and events!
